Average score

The IQAC team has also analyzed the overall responses and the average score per question. In order to achieve this, responses for each question was collected in a scale of 1-5, with 5 being the most favorable and 1 being least favorable. The average score was calculated over total responses collected over time for all the programs and it was analyzed by using the software.

Recommendations are prepared and forwarded to the management. Action taken report is also prepared department wise for follow up actions.

The following is the analysis of average score per question.

Conclusion

Feedback analysis and action taken report is a regular quality monitoring and quality assurance activity of the IQAC team of the institution. Feedback is collected every semester and reports are analyzed. The recommendations are also reviewed and appropriate actions are taken. The actions taken are noted in the IQAC Annual Quality Assurance Report and submitted in the yearly reports.

In case there is any recommendation that requires detailed planning and effort to implement, the same is noted in the Plan of Action of IQAC for the subsequent year in the AQAR. The activities are monitored and outcome is mentioned in the Actions Taken in the next year AQAR.

Curriculum feedback analysis

Introduction

The IQAC team of the institution has collected feedback on Student Satisfactory Survey 2021-22 as part of quality monitoring and quality assurance practices implemented in the institution. Feedback is usually collected during the final exam or after the final exam. The feedback link is also available in the website and all students are encouraged to fill in the feedback form.

The data so collected by using an online software is also analysed by the software and the result is reviewed by the IQAC team. Recommendations are prepared and forwarded to the management. Action taken report is also prepared department wise for follow up actions.

The following is the analysis of number of responses per question.
