

Curriculum feedback analysis of Students

2022-2023

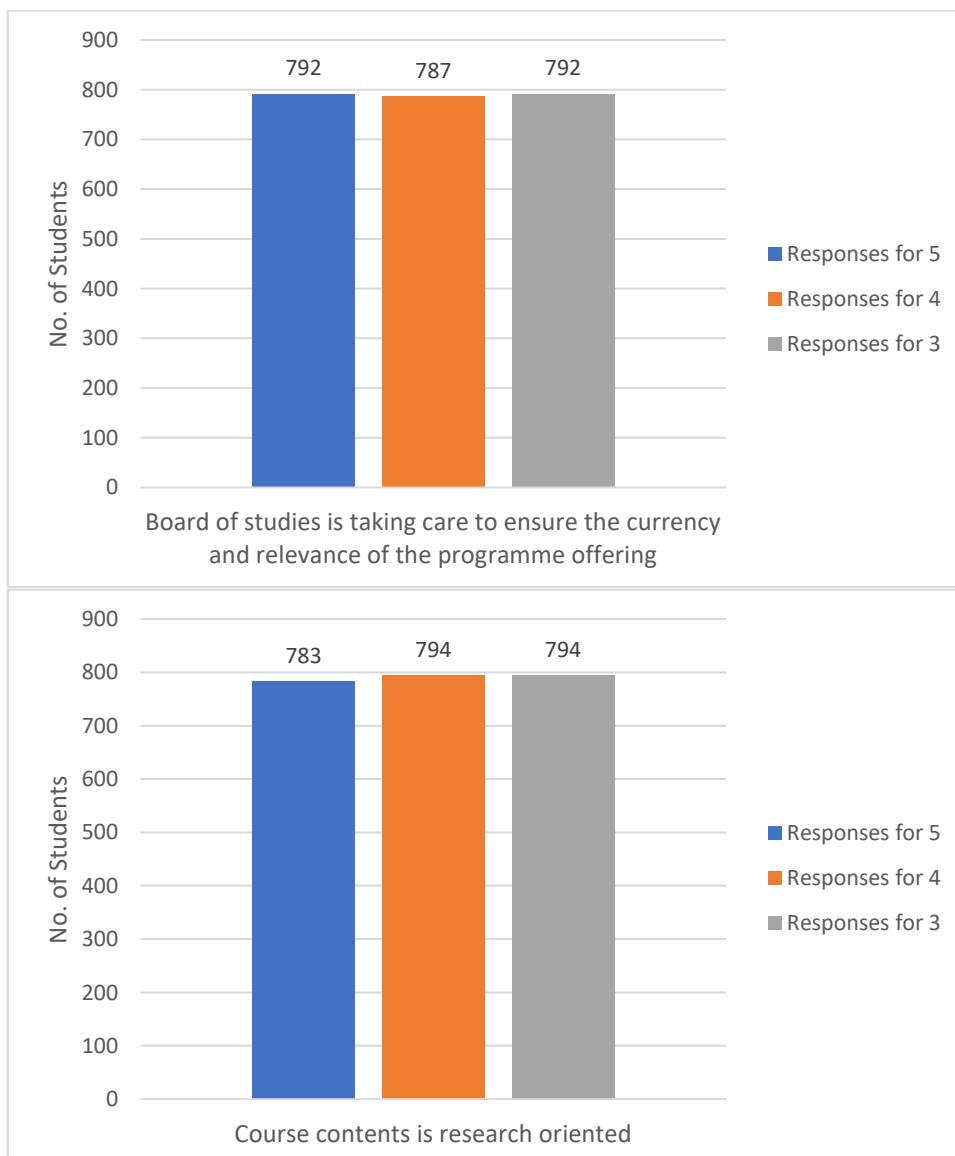

Introduction

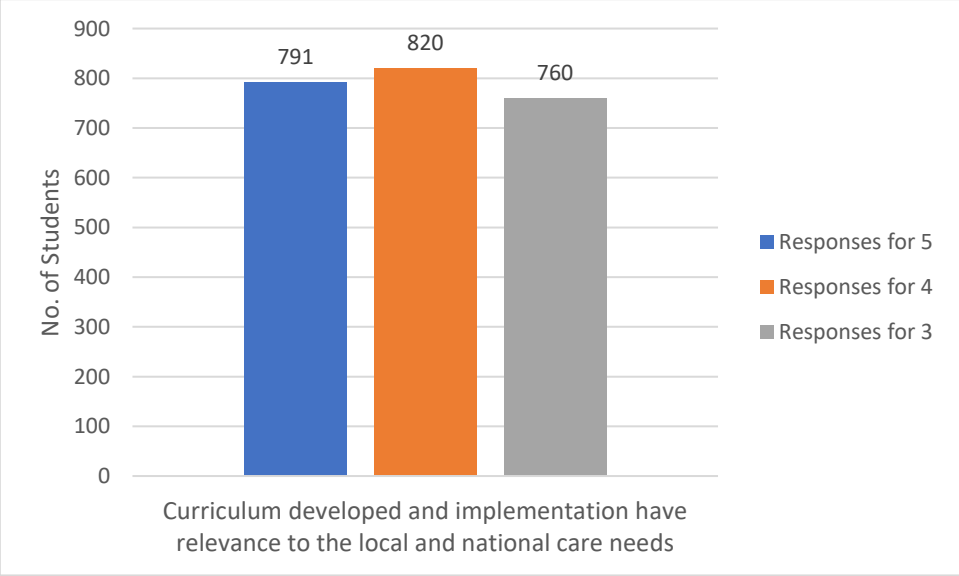

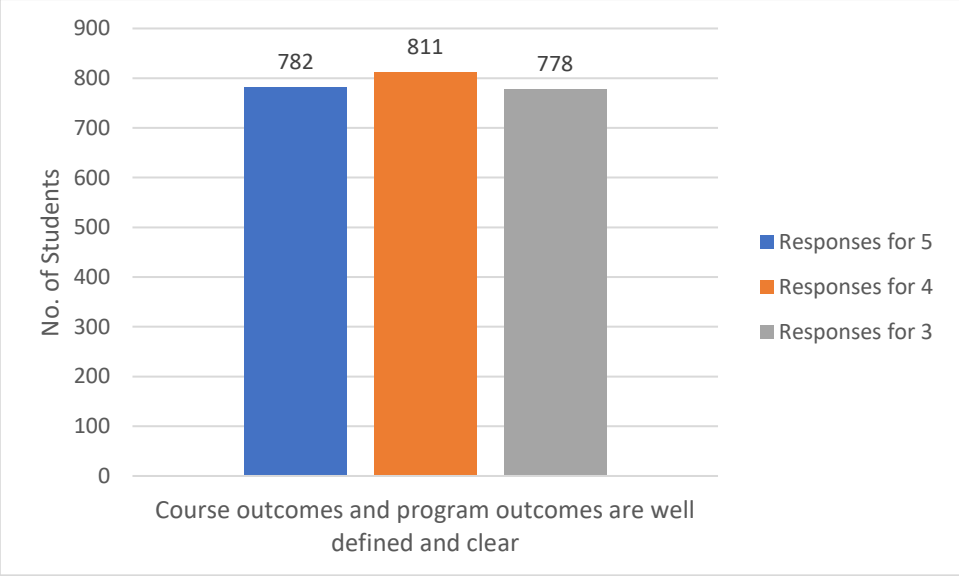

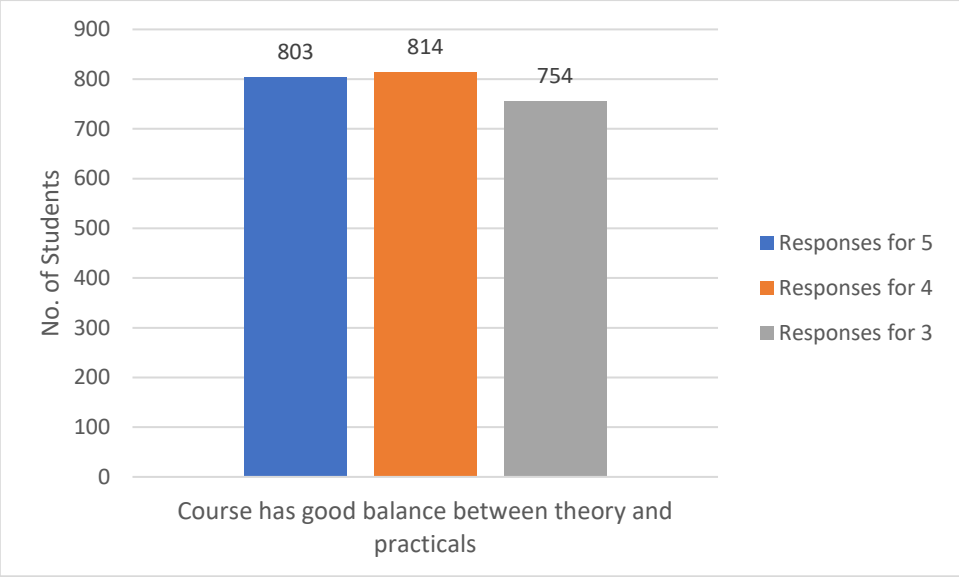

The IQAC team of the institution has collected feedback on the curriculum from all students as part of quality monitoring and quality assurance practices implemented in the institution. Feedback is collected during the academic sessions. The feedback link is also available on the website and all students are encouraged to fill in the feedback form.

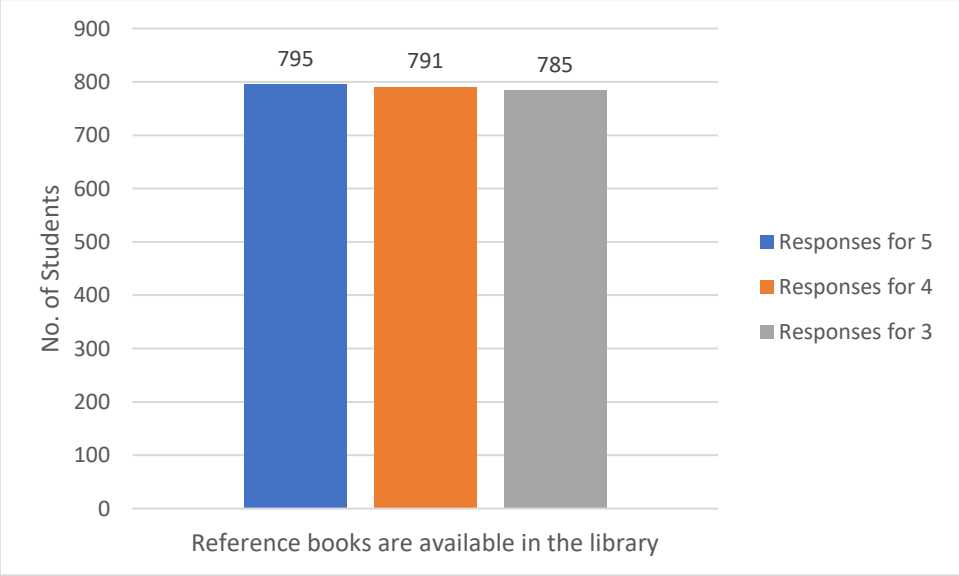

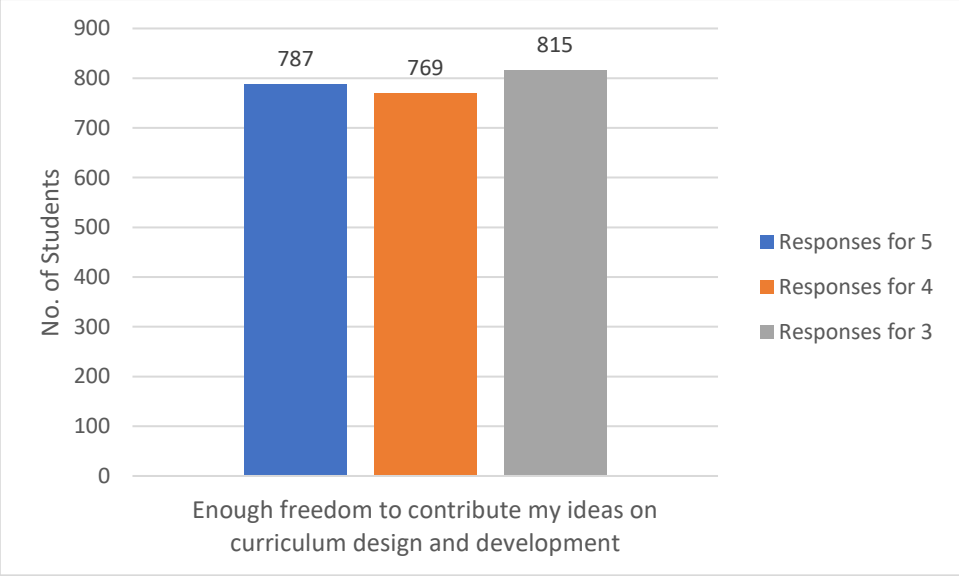

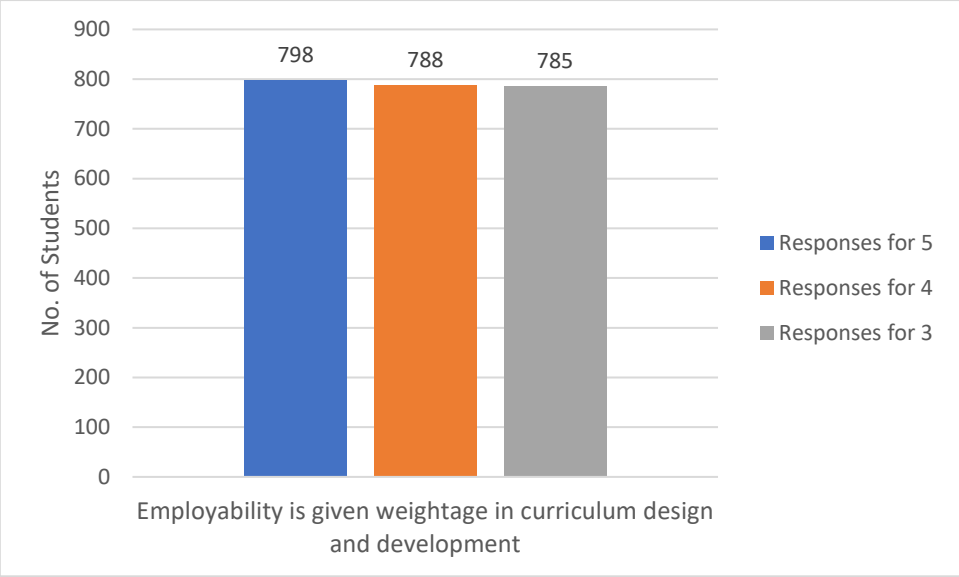

The data collected by using online software is also analyzed by the software and the result is reviewed by the IQAC team. Recommendations are prepared and forwarded to the management. Action taken report is also prepared for follow-up actions.

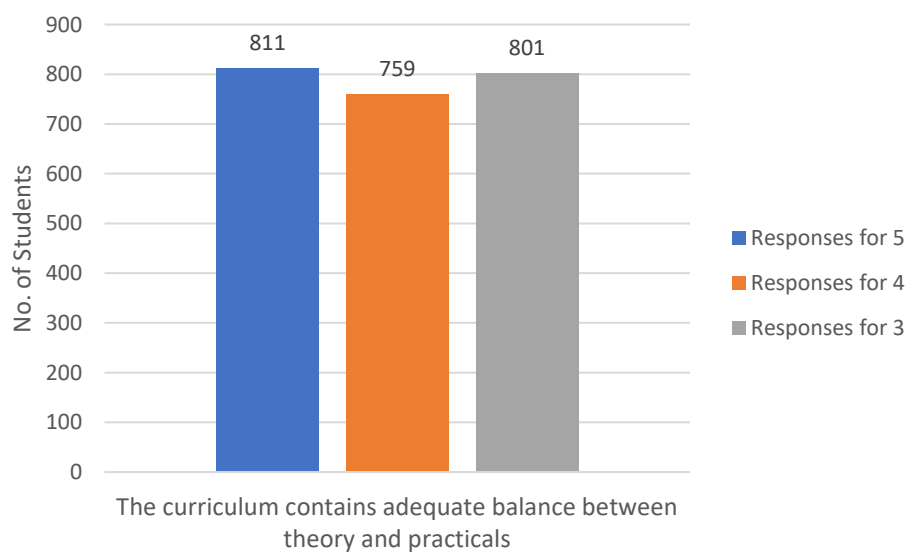

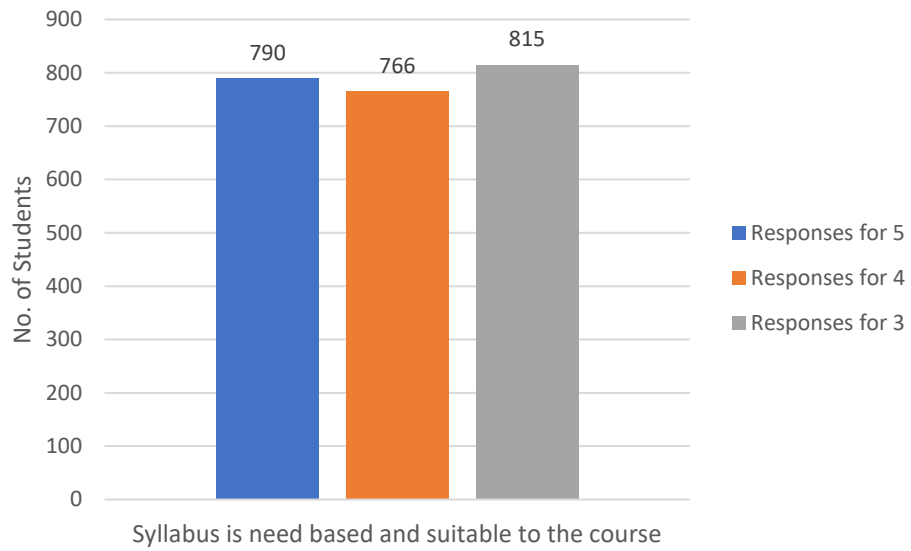

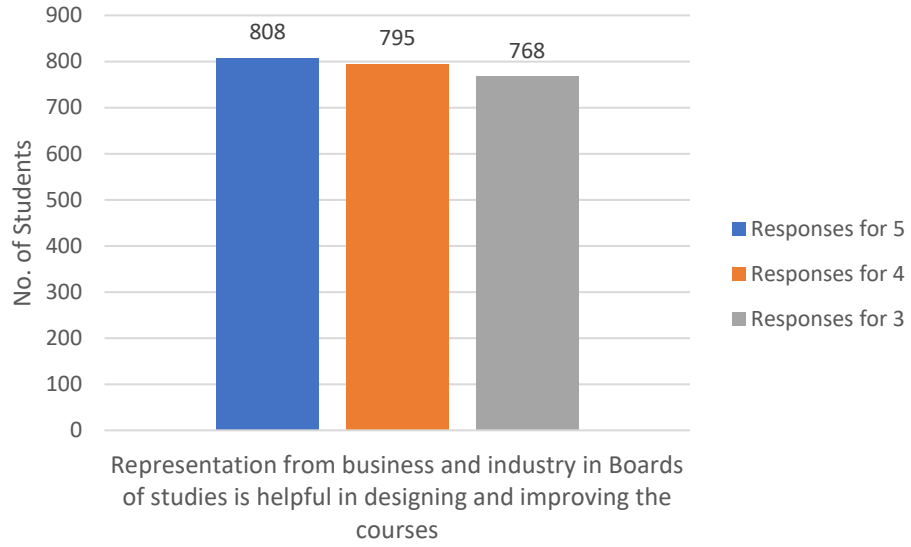

The analysis report is forwarded to the management which is in turn forwarded to relevant stakeholders.

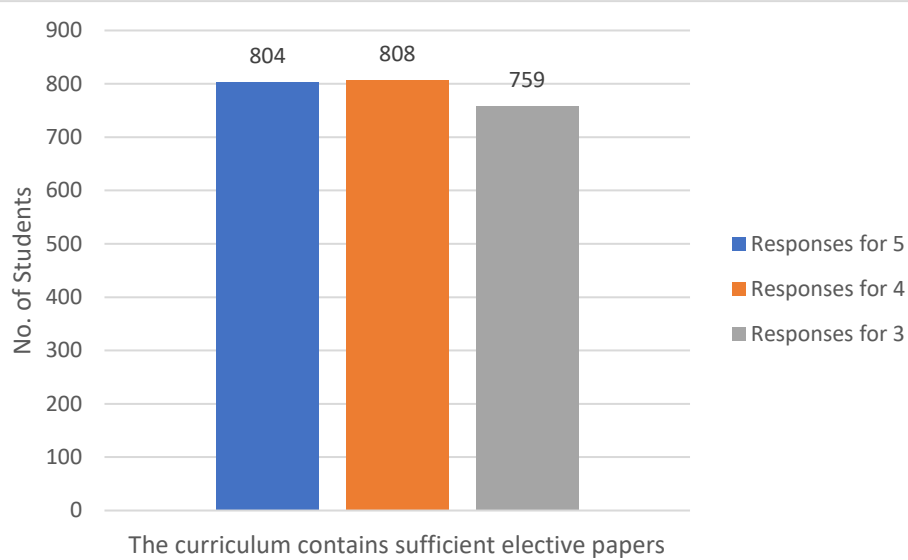

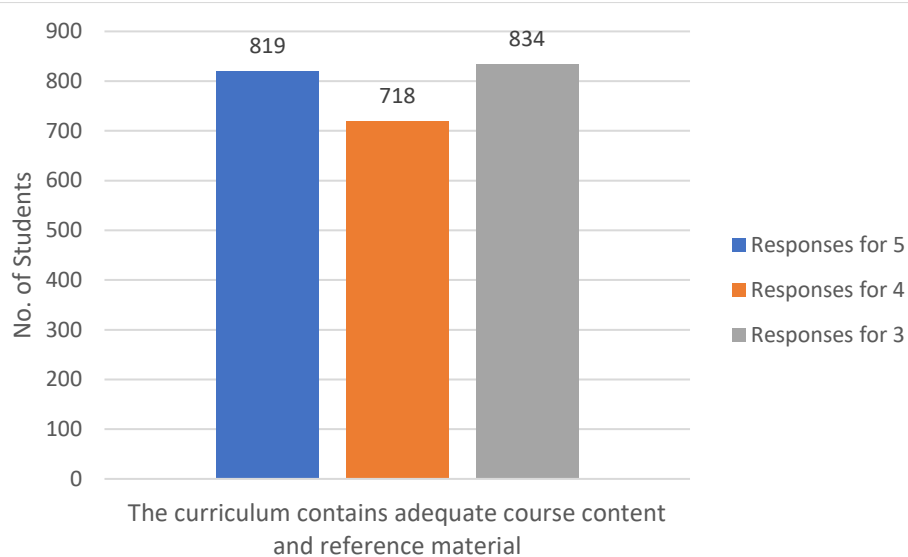

The following is the analysis of the number of responses per question.

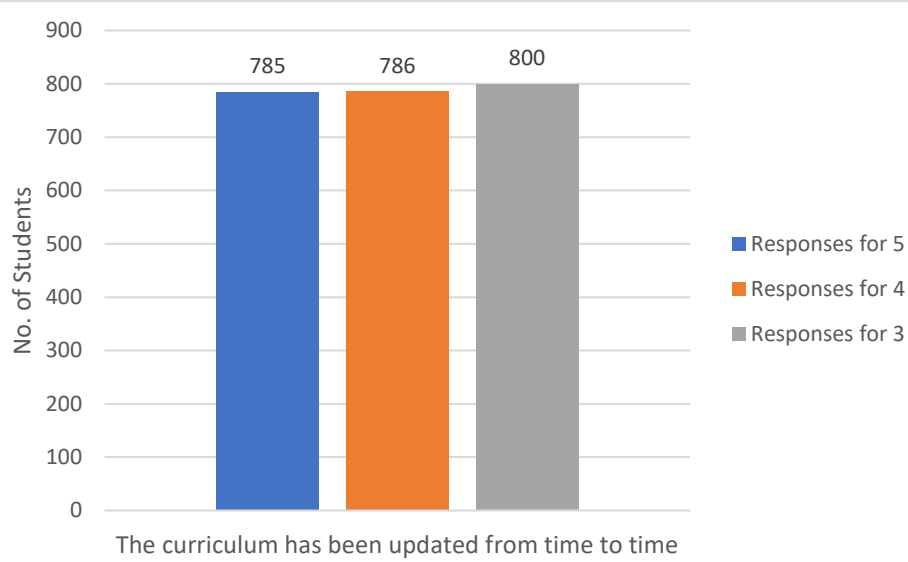

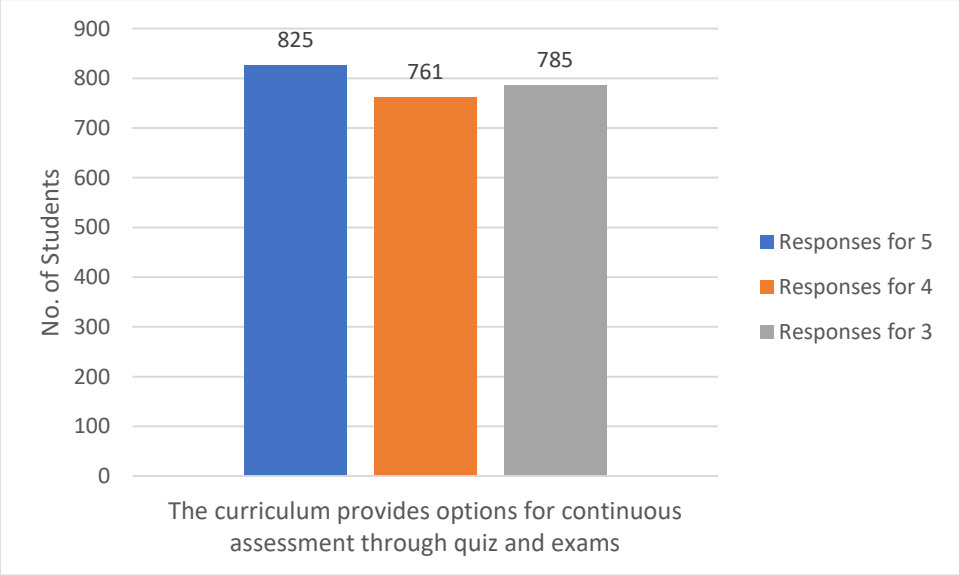

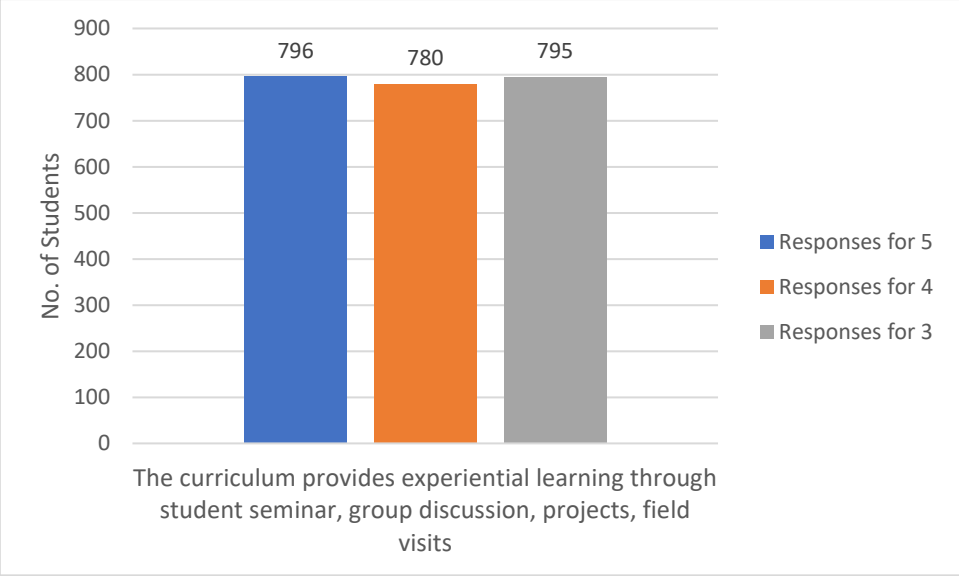

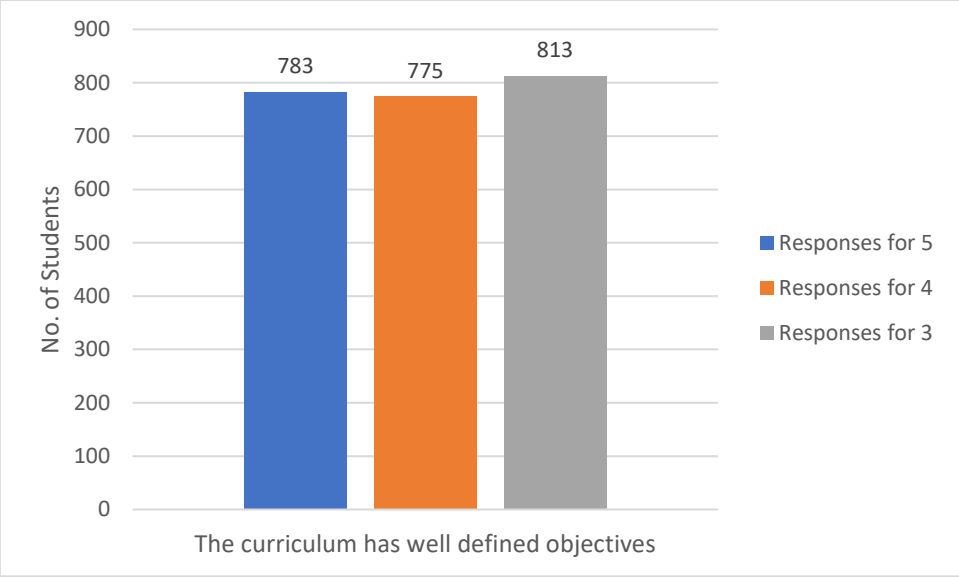

The system followed by the University for the design and development of curriculum is effective

The time provided to complete the curriculum is adequate
