

# Student Satisfaction Survey

---

2022-2023

## Introduction

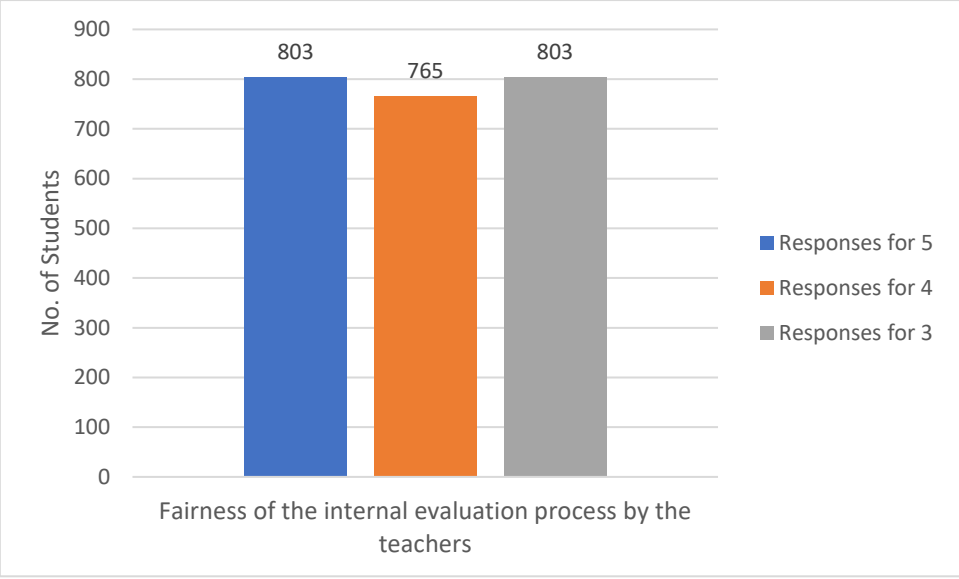

The IQAC team of the institution has collected feedback from all students for Student Satisfaction Survey as part of quality monitoring and quality assurance practices implemented in the institution. Feedback is collected during the academic sessions. The feedback link is also available on the website and all students are encouraged to fill in the feedback form.

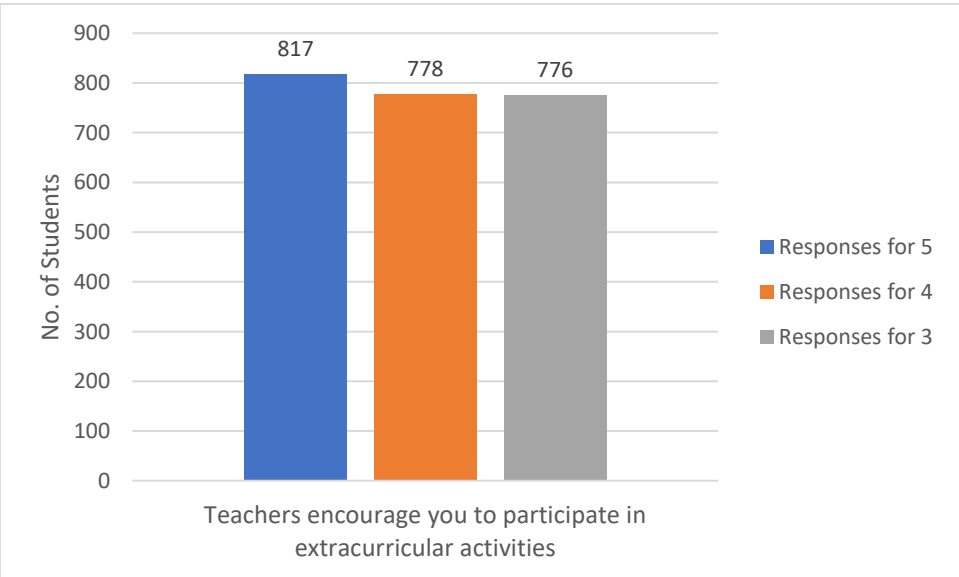

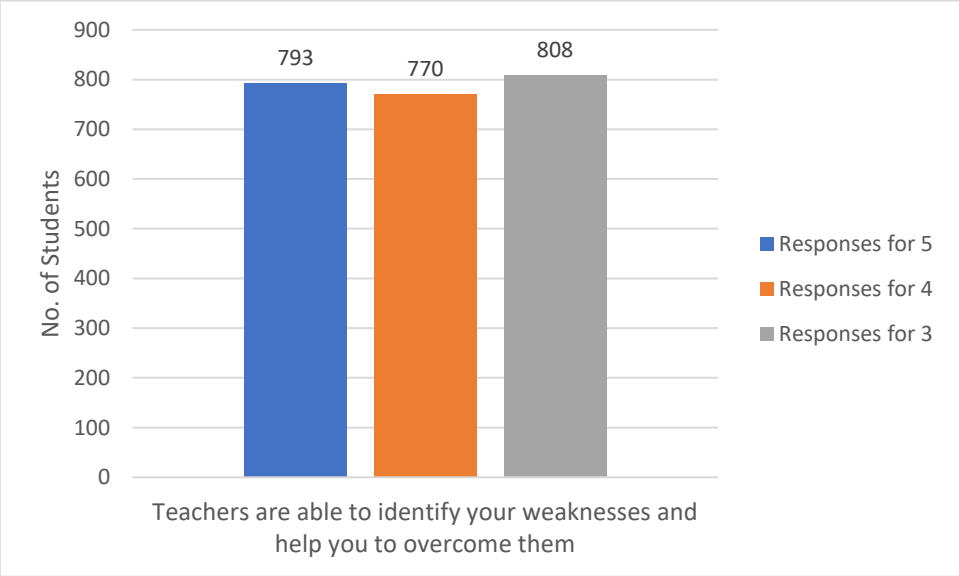

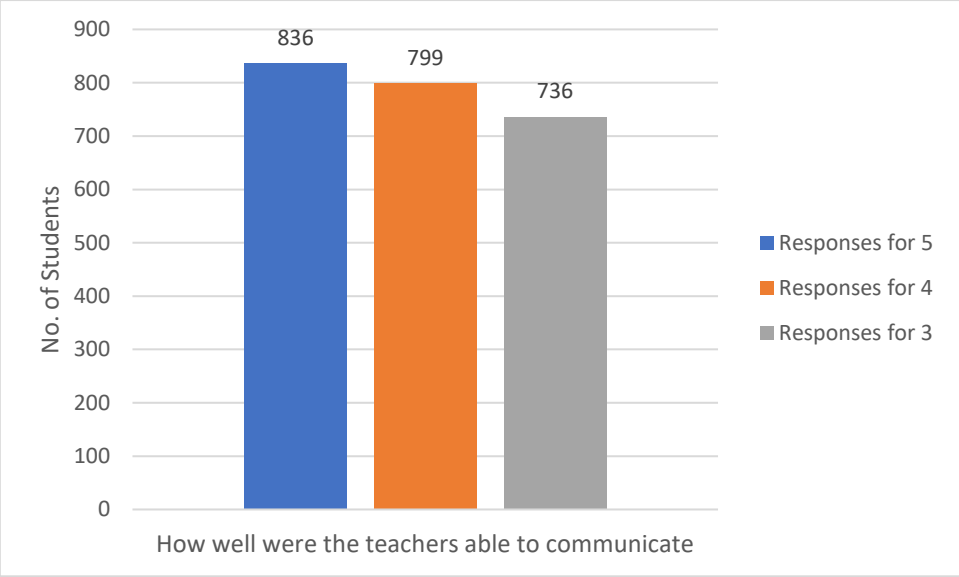

The data collected by using online software is also analyzed by the software and the result is reviewed by the IQAC team. Recommendations are prepared and forwarded to the management. Action taken report is also prepared for follow-up actions.

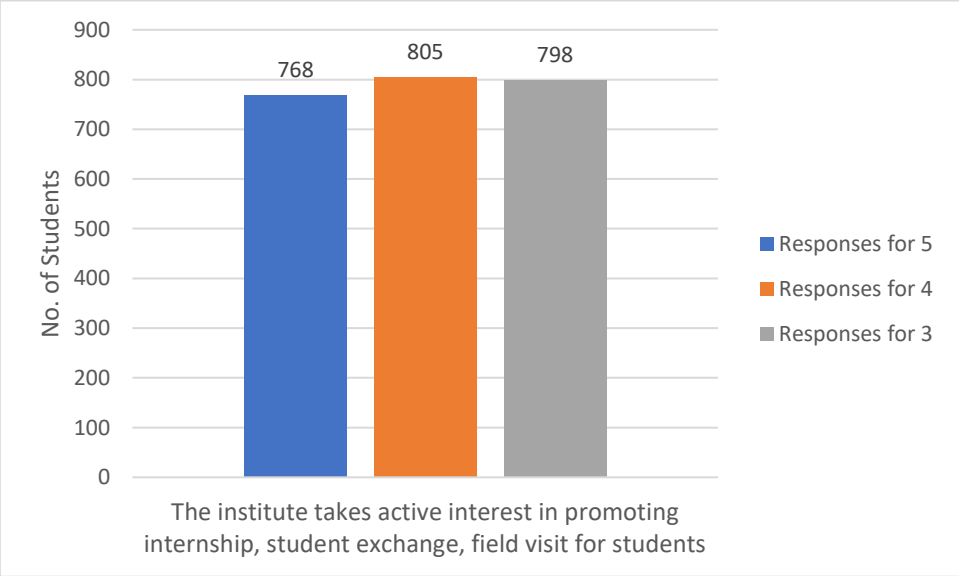

The analysis report is forwarded to the management which is in turn forwarded to relevant stakeholders.

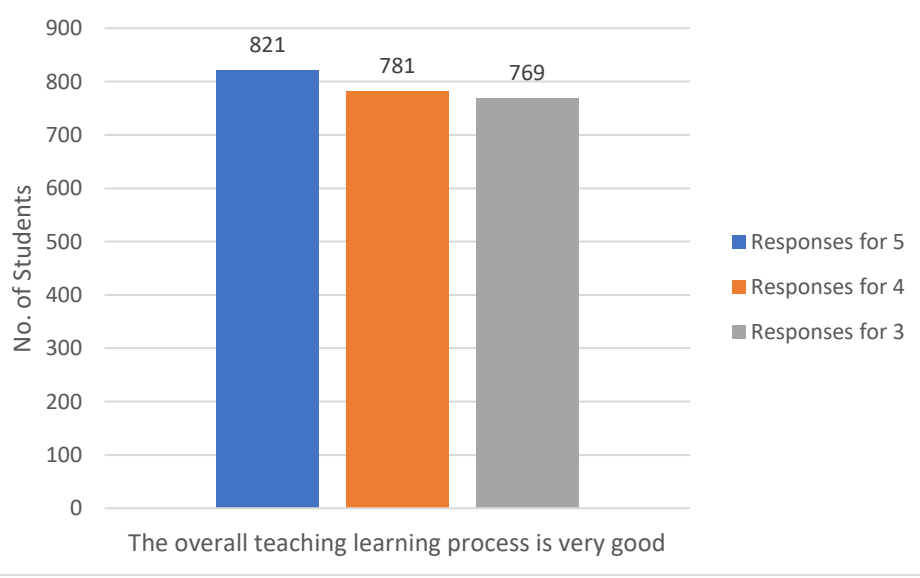

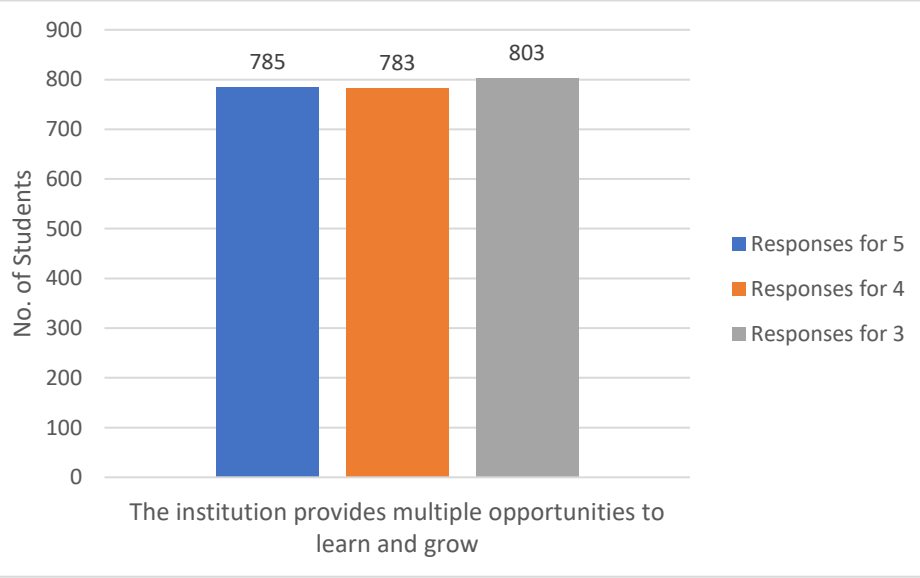

The following is the analysis of the number of responses per question.

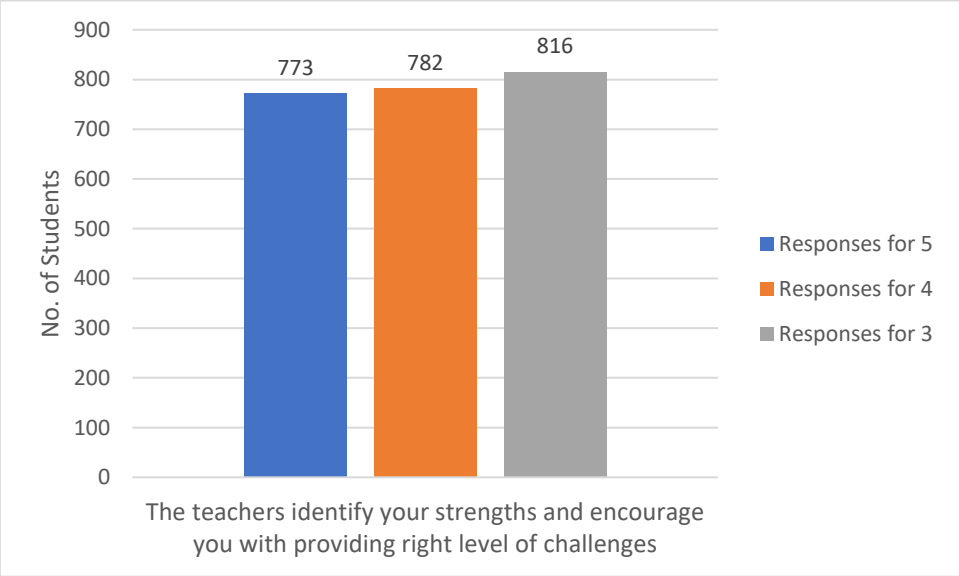

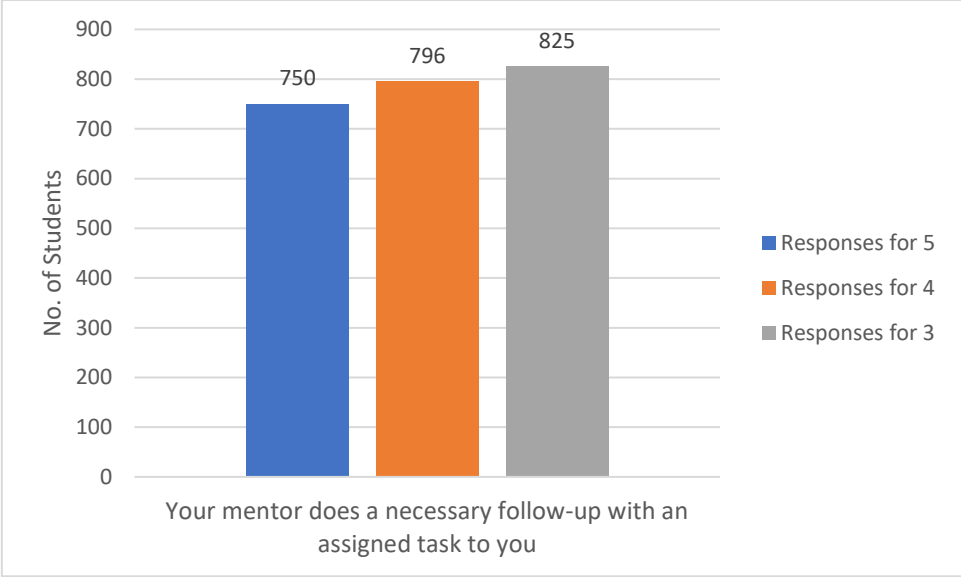

## Average score

The IQAC team has also analyzed the overall responses and the average score per question. To achieve this, responses for each question were collected on a scale of 1-5, with 5 being the most favorable and 1 being the least favorable. The average score was calculated over total responses collected over time for all the programs and it was analyzed by using the software.

Recommendations are prepared and forwarded to the management. Action taken report is also prepared department wise for follow-up actions.

The following is the analysis of the average score per question.
