J.L. Puram, Mysuru - 12

About the College

SBRR Mahajana First Grade College (Autonomous), Mysuru was established in the year 1982 under the aegis of Mahajana Education Society that took its origin in 1937 by visionary philanthropists like Sri Ambale Subramanya, Sri Rattehalli Ramappa and others in the city of Mysuru. The UG campus which is located centrally in a premier residential area, Jaylakshampuram, offers courses in B.A, B.Com, BBA, B.Sc., B.C.A, BBA (Hotel and Hospitality) and BBA (Aviation and International Tourism) with well-built infrastructure spread over 6 acres comprising spacious classrooms with ICT facility, a well-stacked library housed in a separate wing on two floors, well equipped laboratories, Audio-visual as well as studio-media facility and spacious stadium with a full-fledged gym. Our students have been recipients of 75 ranks and 82 Gold Medals & cash prizes from the University of Mysore.

Currently 100 plus well-qualified teachers with commitment towards the cause of education ably supported and encouraged by the management have seen the college successfully come through three cycles of NAAC accreditation. In the last cycle in the year 2015 the college was awarded 'A' grade. The college also enjoys the recognition of UGC as College with Potential for Excellence which is in its second phase. Thus it has carved a niche for itself in the field of tertiary education in its three and a half decades of promoting higher education with the Motto of 'Education to Excel' and imparting education to make finer citizens as enshrined in its vision statement built on the philosophy of Swami Vivekananda.

The college has been flourishing well by creating a healthy and distinct learning atmosphere which is an amalgamation of academics and vibrant culture of arts, and sports making both the campuses a beehive of activities.

About the Host Departments

The Departments of History, Economics, Geography & Sociology, as a joint venture, in association with IQAC of the College are hosting one-day national level seminar on Advanced Research Methods and Approaches. Keeping in tune with the motto and vision of the departments, since 1983, we have been conducting national, state level seminars, conferences, workshop including expert talk & symposium with the intention of providing platform to deliberate upon several current and latest developments happening in the respective fields.

The departments have stood test of times and brought about innovations that strengthen and build an ambience for learning various issues among teachers & students. We have always striven to stand apart, and be counted among the trend-setters by conducting various academic programs till now. As all these departments are multi-disciplinary and deal with common themes in the area of humanities, it was felt that it is appropriate to come together and organize a joint national level seminar.

Objectives of the Seminar:

Advanced Research Methods and Approaches is designed to enhance the capability of the participants with recent trends in advanced research approaches and relevant research skills that are fundamental and most important in the present-day data-driven world.

THEME: ADVANCED RESEARCH METHODS & APPROACHES

Sub-themes of the Technical Session

1. Recent trends in advanced Research Approaches.
2. Referencing, Plagiarism and Ethics in Research.
3. Systematic literature Review.
4. Reporting and Presentation of Qualitative and Quantitative Research.
