34.	Sudha Babu R	Sudha Babu R
35.	Thamara W Gowda	Thamara W Gowda

Student seminar presentations are an essential component of academic life. Providing a platform for students to share research, develop communication skills and showcase knowledge. In each semester students will be allowed to present the topic allotted to them under the guidance of respective guides. After the presentation there will be question and answer session, discussion and closing remarks. Students will be evaluated based on knowledge sharing, presentation skills, and overcoming challenges. In conclusion student seminar presentations play a vital role in academic development, fostering knowledge and skill development.

2. Industrial visits

Date: 11, 12 & 13 March 2024

Title: Study Tour to Manipal Academy of Higher Education.

Venue: Manipal School of Life Sciences, MAHE, Manipal, Karnataka.

Study Tour to Manipal Academy of Higher Education

Attendanc

The study tours by students would enhance their knowledge about the professional laboratories and institutes. The visits to these esteemed laboratories would encourage them to pursue the research career and industrial career opportunities and provide an excellent chance to meet the pivotal scientists in the respective field of research. The students of M.Sc. Biochemistry III semester (33 students) and two faculty visited MAHE, Manipal on 11th, 12th, and 13th of March 2024. Dr. BS Satish Rao gave an orientation for 30 minutes about the achievements and career prospects

at MAHE. Later, research assistants took the students for a tour of the school of life sciences laboratories along with detailed explanation about each instrument used for life sciences research. The students were accompanied by Dr. Girish Chandran and Ms. Rayana LavithaD Silva. The study trip was organized for M.Sc. Biochemistry III semester students of Pooja Bhagavat Memorial Mahajana Education Centre, SBRRMFGC PG wing. 33 students participated in the study trip.

3. Workshop on Research Methodology Date: 22 & 23 April 2024

Attendance

Workshop on *Drosophila*: An Ideal Model for Research in Biology, for B.Sc. students of Govt. Science College, Hassan.

To provide hands on training and knowledge on using *Drosophila melanogaster* as a model organism for scientific research. The workshop provided introduction to *Drosophila* biology, genetics, breeding culturing techniques, behavioural and neurobiological assays. Hands on experience with *Drosophila* experimentation. Expert lectures, demonstration by resource person, interactive sessions, and group discussions. The *Drosophila* workshop was a successful event that provided valuable training and knowledge. It showcased the versatility and power of *Drosophila* as a model organism and inspired new research idea. The Workshop was organized on 22 & 23 April 2024. Workshop started with formal inauguration in the gracious presence of Dr.C.K. Renukarya, Director, Dr. S.R. Ramesh, Faculty members and participants from Government Science Colleges, Hassan. The practical workshop was designed to teach and train students the basics of drosophila and how it can be used as a model organism for research. The main purpose of the drosophila workshop is to experience hands-on learning, where students can gain practical experience, understand genetic principles, and use

Drosophila as an ideal model organism for teaching genetic principles, developmental biology, interdisciplinary learning etc., The workshop provided a fundamental understanding of Drosophila and its use in modern biology through daily lectures, followed by demonstration of these techniques through extended laboratory sessions. The program comprised of two theory sessions in the Life Sciences auditorium and the practical session in the Drosophila & Neurotoxicology Laboratory.

The workshop coordinators for the session were Dr. Girish Chandran, Coordinator DoS in Biochemistry and Ms Rayana Lavitha D'Silva, Assistant Professor, Pooja Bhagavat Memorial Mahajana Post Graduate Education Centre, PG Wing of SBRR Mahajana First Grade College(A), Mysuru. In the morning session, Dr. Girish Chandran explained the basic morphology and behaviour of Drosophila. The principle and procedure were taught and discussed with students. In the afternoon, a practical session was conducted under the guidance of a resource person. Students performed various assays and the results were obtained accordingly. In the practical session, students were taught to prepare the homogenate for the experiments in a stepwise manner and how to use the Drosophila larvae in the experiments and interpret the results obtained.

4. Internship taken by students.

Internships have become an essential component of modern education, providing students with hands on experience and real-world applications of theoretical knowledge. Internship bridges the gap between academic theory and practical experience, preparing students for the workforce. By undertaking internships, students gain insight into industry norms, expectations and best practices. Internships foster skill development in various areas, including communication, teamwork, and problem solving and time management. Internships offer a platform for building valuable professional connections. It also facilitates personal self-discovery. Every student in the biochemistry department participates in an internship during their third semester in a variety of R&D laboratories 128hours. Upon completion of the internship, students are required to turn in an internship certificate.

Certificate

Attendance

5. Intercollegiate Life Science Quiz 2024

Date:19.03.2024

Title: Intercollegiate Life Science Quiz 2024

To promote interest and knowledge in life science among students and to provide a platform for them to showcase their skills. The intercollegiate Life Science Quiz was a successful event that brought together students from various colleges to compete and learn. The quiz encouraged students to pursue their interests in the field. The intercollegiate quiz competition was a resounding success, with enthusiastic participants from all teams. It provided a spirit of healthy competition and learning. The Intercollegiate Life Science Quiz 2024 was organized on 19 March 2024. Intercollegiate Life Science Quiz 2024 started with formal inauguration in the gracious presence of Dr.C.K. Renukarya, Director, Coordinators, Faculty members from various streams and participants from various colleges. The Quiz Master Dr. Girish Chandran explained the rules and regulations of the quiz at the beginning. There were 4 judges and student volunteers. The judge's decision was final. It was an interesting two-round competition, including objective questions with an options round. This was a preliminary round where 20 students participated, and 10 students were selected for the next round. The selected 10 students were made into groups of 2 for the buzzer and rapid-fire round which engaged the students for two hours. The students showcased their brilliance by rapidly answering the questions. Though some of the questions were very tricky, the teams tried to answer them with confidence. Although the teams participated actively, the team that scored the most was awarded first prize, followed by second, third and 2 consolation prizes.

Results of the quiz.

1st Prize-Ishwarya MVN & Nidhi R. Kini, Yuvaraja College, Mysuru

2nd Prize- Rachana CB & Nuthana S, MMK SDM College for Women, Mysuru

3rd Prize-Ganesh M. & Lavanya N., SBRR Mahajana First Grade College(A), Mysuru
Consolation prize1- Samith H.S. & Veeresh G, SBRR Mahajana First Grade College(A), Mysuru

Consolation Prize 2- Vagdevi C. & Sunitha, SBRR Mahajana First Grade College(A), Mysuru

Department of Biotechnology

Criteria metric 2.3.1

1. Seminar presentations by the students

The presentations that students give in their seminars are an important part of the academic experience. Through the provision of a forum in which students can demonstrate their expertise, enhance their communication skills, and share their findings. During each semester, students will have the opportunity to present the topic that has been assigned to them, with the supervision of their individual guides and instructors. The presentation will be followed by a question-and-answer session, followed by a discussion, and then concluding remarks will be given. Knowledge sharing, presentation abilities, and the ability to overcome problems will be the criteria that will be used to evaluate students. As a conclusion, student seminar presentations play an important part in the development of academic skills and information, as well as in the development of academic abilities.

Seminar presentations by the students

2. Hands-on workshop

Date: 1st & 2nd December 2023

Title: Techniques in Cell Culture

With the global biotechnology industry booming, there is a high demand for cell culture expertise. By training students in cell culture, we will develop a skilled human resource in this area. In addition, cell culture is integral in medical diagnostics, including cancer screening and genetic testing. Training in cell culture will enhance the capacity of local healthcare facilities to offer advanced diagnostic services, leading to improved patient care and disease management. This training provides opportunities for students to learn fundamental techniques and contribute to scientific progress. In this regard the workshop was initiated with the interactive

session by Dr. Mahadesh Prasad, Professor, DOS in Biochemistry on the topic entitled “Cell culture a versatile tool in research” followed by visit to cell culture lab and session on Guidelines, Safety of the lab personnel by S.R. Smitha Grace. Assistant Professor, DOS in Biotechnology, practical sessions started on the first day by Preparation of Media and filter sterilization, inoculation of cell lines followed on second day by trypsinization, Cell counting and Viability measurement and concluded finally by the EB staining. A basic manual on cell culture methods was compiled and issued for the students for their further reference. The students showed enormous interest and involved themselves in learning the techniques and the feedback received by the students and teachers indicates their willingness to collaborate with the team for one such workshop again the upcoming sessions.

Target audience and No. of Participants/beneficiaries: 27 students

3. Interactive session

Date: 07th December 2023

Title: Techniques For Biochemical Investigations

Biochemical analysis techniques refer to a set of methods, assays, and procedures that enable scientists/researchers to analyze the macromolecules found in living organisms, their chemical composition and their importance in life processes. The most sophisticated of these techniques are reserved for specialty research and diagnostic laboratories. To perform a comprehensive biochemical analysis of a biomolecule in a biological process or system, the biochemist typically needs to

design a strategy to detect that biomolecule, isolate it in pure form from among thousands of molecules that can be found in the extracts from a biological sample, characterize it, and analyze its function. An assay, the biochemical test that characterizes a molecule, whether quantitative or semi-quantitative, is important to determine the presence and quantity of a biomolecule in a variety of investigations. Detection assays may range from the simple type of assays done by spectrophotometric measurements and gel staining to determine the concentration and purity of proteins and nucleic acids, to prolonged bioassays that may take days to perform. The interactive session enhanced the knowledge of the students on the availability of a plethora of techniques to be employed in research. The students interacted very well with the resource person and requested the organizers for similar interactive sessions during sessions during their term. Target audience and No. of Participants/beneficiaries: 75 students and faculty of School of Life Sciences.

4. One day symposium

Date: 9th January 2024

Title: Trends in Life Sciences

Inauguration: (L-R) Prof S. R. Ramesh, Chief Scientist and Head, School of Life Sciences, Mr. Murlidhar Bhagavat, President, MES, Prof Bharathi P.Salimath, Director, SanorvaBiotech Pvt. Ltd., Dr.Vijayalakshmi Murlidhar, Honorary Secretary, MES, Dr.Subramanyam Vemulpad, Honorary Associate Professor, Macquarie University, Sydney, Australia; Prof. C. K. Renukarya, Director, PBMMEC, Dr. K. Kemparaju, Professor, Dept. of Studies in Biochemistry,

University of Mysore, Dr. Jayakumari, B. R, Principal ,SBRR MFGC Dr. Komal Kumar, Scientist, TUMCREATE, Singapore

The technical sessions of one day symposium was aimed to highlight the emerging trends in life science research that is contributing for the improvement of human health and well-being. The field of life sciences is revolutionizing human health worldwide, ushering in an era of unprecedented possibilities. The world saw the greatest pandemics of modern times and amazing breakthroughs made through technology and remarkable strides made in biological and life science research collectively reshaped the landscape of human health. The symposium included following four technical sessions:

1. Delivering the first technical session Dr. Subramanyam Vemulpad on the topic entitled “Ethical engagement for tapping into indigenous knowledge in the search for Antimicrobials” deliberated on how the traditional knowledge and search of medicinal plants could be the source for developing new antimicrobial agents. He also narrated the instances of how it becomes successful by engaging with the local communities.
2. The second technical session by Dr. K. Kemparaju on “Echis carinatus venom - induced sustained tissue destruction, pathophysiology and strategic remedy”, elaborated on the venom Pharmacogenomics and the core of his session was on emerging roles neutrophil extracellular traps, their activation and inhibition in tissue injury and repair processes.
3. The third session by Dr. Bharathi P. Salimath on the topic entitled “Angiogenic Biomarkers in translational research - From Lab to Bed Side” crisply explained how angiogenesis play a critical role in tumor growth and tumor progression. She stressed upon the role of VEGF (vascular endothelial growth factor) and its signaling through its receptors which are of crucial relevance and how the this research on tumor biomarkers can be translated to treatment for the betterment of the mankind.
4. Dr. Komal Kumar deliberating during the fourth technical session on the topic entitled “Blood biomarkers for accurate diagnosis of viral and bacterial infections” explained the role of blood biomarkers to analyze and detect the disease prognosis. Further, he emphasized on how Biomarkers and their impact on precision medicine provides a strategic opportunity for technological developments to improve human health and reduce health-care cost.

These sessions inspired the students of the avenues and the potential areas of applications in Life Sciences how they can orient/re-orient themselves in different fields of Life Sciences in the pursuit of their career/research/employment.

Target audience and No. of Participants/beneficiaries: 230 (including faculties and students)

5. Workshop & Hands on Training

Date: Feb 22nd – 24th 2024

Title: Bioinformatics Approaches for Data Analysis and Research”

Venue: Department of Studies in Biotechnology, School of Life Sciences, Pooja Bhagavat Memorial Mahajana Education Centre, Post Graduate wing of SBRR Mahajana First Grade College, Metagalli, K.R.S Road, Mysuru-570016.

Participants of Workshop & Hands on Training on “Bioinformatics Approaches for Data Analysis and Research”

The aim of “Bioinformatics Approaches for Data Analysis and Research” is to impart knowledge on how to use bioinformatics to analyze and interpret biological data: Bioinformatics is an interdisciplinary field that uses computer science, biology, and other disciplines to analyze biological data. It's used to understand biological data, especially large and complex data sets. Some research fields in bioinformatics include computational biophysics, computational mass spectrometry, genome-wide association analysis, metagenomics, plant genomics, and structural bioinformatics. The aim of workshop on Bioinformatics Approaches for Data Analysis and Research are to teach participants how to use computational tools and techniques to analyze and interpret biological data The students showed enormous interest and involved themselves in learning the techniques and the feedback received by the students and teachers indicates their willingness to collaborate with the team for one such workshop again the upcoming sessions

Target audience and No. of Participants/beneficiaries: 34 students

6. Indian Knowledge System Lecture Series

Date: 16th May 2024

Title: Homeopathy: Myths and Facts

Prof S. R. Ramesh, Chief Scientist and Head, School of Life Sciences, Prof. C. K. Renukarya, Director, PBMMEC, & Dr. Manohara M.C Manu Homeopathy Clinic & Research Center during the program with the students and faculties of School of Lifesciences.

The Indian Knowledge Systems comprise of Jnan, Vignan, and Jeevan Darshan that have evolved out of experience, observation, experimentation, and rigorous analysis. Dr. Manohara M.C speaking during the lecture series deliberated on the effectiveness of homeopathic preparations, the myths and facts related to Homeopathy (or homoeopathy) stating it as a 200-year-old form of alternative medicine that claims to stimulate a healing response and strengthen the body's ability to heal itself. Those who practice it claim that it is a holistic system of medicine based on the theory of treating 'like with like'. It claims to stimulate the body's own healing response to disease, using specially prepared, highly diluted preparations. The students showed enthusiasm on the introduction of awareness by the department about old knowledge system.

Target audience and No. of Participants/beneficiaries: 110 including faculties and students.

Photos

7. Indian Knowledge System Lecture Series

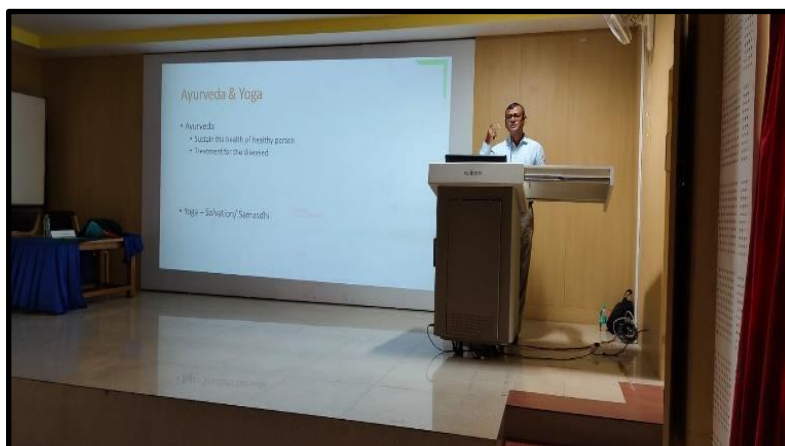

Date: 28th May 2024

Title: Ayurveda Science and Medicine

Prof S. R. Ramesh, Chief Scientist and Head, School of Life Sciences, Prof. C. K. Renukarya, Director, PBMMEC, & Dr. Dayananda R.D, Professor, Sri S.B.S Ayurvedic Medical College and Hospital, Mundargi were present during the program with the students and faculties of School of Lifesciences.

The ancient Indian medical system, also known as Ayurveda, is based on ancient writings that rely on a “natural” and holistic approach to physical and mental health. Ayurvedic medicine is one of the world’s oldest medical systems and remains one of India’s traditional health care systems. Ayurvedic treatment combines products (mainly derived from plants, but may also include animal, metal, and mineral), diet, exercise, and lifestyle. During the lecture Dr. Dayananda R.D inspired the students by explaining the balance of energies known as doshas which os believed to be responsible for health and wellbeing. He explained as defined in Ayurveda, the three doshas relate to the elements of the universe. The Vata dosha is air and space, Kapha dosha is earth and water and the Pitta dosha is fire and water. According to Ayurvedic principles, these doshas are actually responsible for bodily functions, and he mentioned individuals who practice Ayurveda regularly balance their doshas will have a better chance at maintaining their health. This knowledge shared by him accentuated the students to collaborate life science with Ayurvedic research. Target audience and No. of Participants/beneficiaries: 110 including faculties and students.

8. Career Assistance Programme

Date: 22nd June 2024

Title: Career Assistance Programme

Resource Person: Mrs. Pavithra, Marketing Head, PAN India, UNIABROAD

Pvt Ltd delivering the lecture during “Career Assistance Program”.

Career assistance programs aim to help people with their career development and advancement, Career assistance programs can help people plan their careers and reach their employment goals. it aimed at with writing resumes and cover letters, networking, and interviewing. As well identify the strengths and suggest specializations which would suit the student the best. Career counseling advisors assessed the student’s interests, personality, values and skills and thus help to explore career options & professional schools. The students showed enormous

interest and involved themselves the feedback received by the students and teachers indicates their willingness to collaborate with the team. Target audience and No. of Participants/beneficiaries: 34 students.

9. Vaccine Awareness Program (for teaching, non-teaching staff & students)

Date: 26th June 2024

**Title: Changing the HPV landscape with an indigenous vaccine –
CERVAVAC.**

Venue: Department of Studies in Biotechnology, School of Life Sciences, Pooja Bhagavat Memorial Mahajana Education Centre, Post Graduate wing of SBRR Mahajana First Grade College, Metagalli, K.R.S Road, Mysuru-570016.

The audience during the extension activity: Vaccine Awareness Program (for teaching, non-teaching staff & students) on Changing the HPV landscape with an indigenous vaccine –CERVAVAC. A Vaccine Awareness Program aims to empower individuals with knowledge, combat misinformation, and promote the health benefits of vaccination. These activities aim to engage the community, promote learning, and apply academic knowledge to real-world situations. To educate the community about vaccines, their importance, safety, and efficacy in preventing diseases. By implementing a Vaccine Awareness Program, we can empower our community with knowledge and contribute to better public health outcomes. HPV infection is a viral infection that commonly causes skin or mucous membrane growths (warts). There are more than 100 varieties of human papillomavirus (HPV). Some types of human papillomavirus (HPV) infection cause warts, and some can cause different types of cancer. The Serum Institute of

India also produces a vaccine for the human papillomavirus (HPV), known as the "Cervarix" vaccine. HPV is linked to cervical cancer and other genital cancers. The vaccine helps protect against the most common cancer-causing strains of the virus. In addition to Cervarix, they have been involved in developing other vaccines aimed at reducing the burden of HPV-related diseases. Their efforts are part of a broader initiative to enhance vaccination coverage and improve public health, particularly in low- and middle-income countries. CERVAVAC is a cervical cancer vaccine developed by the Serum Institute of India. It targets the human papillomavirus (HPV), particularly the strains most commonly associated with cervical cancer.

Target audience and No. of Participants/beneficiaries: 110 students and staff of PG wing.

Photos

10. Career Assistance Program

Date: 26th June 2024

Title: Careers in Biopharma & Biotechnology

Resource Person: Dr. B.K.Muralidhara, CTMO RVAC Medicines ,USA, Ex- US Head of Technical operations at GSK Programs that provide career support are designed to assist individuals in the process of advancing their careers and developing their careers. These programs can also assist individuals in planning their careers and achieving their job objectives. It was intended to assist in the writing of cover letters and resumes, as well as networking and interviewing. Also, determine the student's abilities and make recommendations regarding specialisations that would be most suitable for them. As a result

of doing an assessment of the student's interests, personality, values, and talents, career counselling counsellors assist students in exploring various career alternatives and professional schools. The students demonstrated a significant amount of interest and actively participated in the activity. The feedback that was received from both the students and the teachers indicates that they are willing to work together with the team.

Target audience and No. of Participants/beneficiaries: 110 students

4. Department of Social Work in collaboration with Karnataka state youth network, Youth for ecological sustainability (yes) and Rural literacy and health programme (RLHP), Mysuru had organized a vibrant and inspiring National Youth Day Programme at MTTM auditorium on 31-01-2024 to commemorate the birth anniversary of Swami Vivekananda, a towering figure in Indian history and a beacon of youth empowerment and enlightenment. The event aimed to instill a sense of leadership, innovation, and social responsibility among the youth, echoing Swami Vivekananda's ideals of fearlessness, strength, and unity. A debate competition was organized for the students of PG centre on the topics "Changing lifestyles and environment conservation". There were 15 participants for the debate. Three students won the prizes along with 2 consolation prizes.

Deepthi Shetty of MSc., Chemistry student won the prize.

5. Department of Chemistry had organized Soft Skill Training Programme an Interactive session on “Developing Positive Thinking Attitude and How to Make the Universe work for you” and “One stop platform for students seeking information on global opportunities for education, career, Life and Travel abroad” at Life Science Auditorium on **11-07-2024**. During the session Satyakeerthi Jaykumar had given various live examples and motivated everyone saying how the life can be taken in positive way, how it helps in reaching the goals. The lecture laid importance for the future betterment and exposure for the modern trends required to catch the various aspirations in students like higher studies, to begin new start-ups, Carrier development skills and programmes.

1. Online Workshop On Communication Skills And Interview Etiquette

The Department of Studies in Commerce, SBRR Mahajana First Grade College (Autonomous), Post Graduate Wing, KRS Road, Metagalli, Mysore, in association with the IQAC, SBRR Mahajana First Grade College (Autonomous), Jayalakshmipuram, Mysuru organized the online “Webinar” on “Communication Skills and Interview Etiquette” on Saturday 6th January 2024. Mr. Anantha Lakshmana Rao, Associate Director, KPMG, Bangalore, was the Resource person. The talk began with welcoming of the resource person by Mr. Roopesh Kumar N, Assistant Professor and HoD Department of M.Com. He quoted the words saying that the “learning never exhausts the mind” it is on occasions like this, we get opportunities to gain our knowledge and understanding to what extent the corporate sector’s expectations towards their potential employees.

The Resource person, Mr. Anantha Lakshmana Rao, spoke about his life as student and all the hardships he went through during the initial days of his employment because during those times, no person was there to guide him on the good path in choosing the career option. He spoke about the high requirement of the communication skills, oral, written, personality development; He spoke about developing interview skills, how to attend the various rounds in an interview, improving confidence levels, and how the dressing sense should be. Dr. Uma K, Assistant Professor and department of M.Com rendered the vote of thanks and urged the students to gain as much as knowledge as possible from such interactions. No. of Participants: 87 Students and 04 Faculty members

3. Investors Awareness Programme

The Department of Studies in Commerce, SBRR Mahajana First Grade College (Autonomous) PG Wing, Metagalli, Mysuru organized a one-day Programme on “Investors awareness Programme”, on behalf of BSE India on Tuesday, 9th January 2024. The Investor Awareness Programme for the students of I year M. Com was organized by The Department of Studies in Commerce, SBRR Mahajana First Grade College (Autonomous) PG Wing, Metagalli, Mysuru. Mr. Shreenidhi N V, Assistant Professor, Department of Studies in Commerce, SBRR Mahajana First Grade College (Autonomous) PG Wing, Metagalli, Mysuru welcomed the dignitaries and students for the Investors awareness Programme with the quote of Warren Buffet regarding awareness about investing.

In the inaugural remarks, Mr. Roopesh Kumar, Assistant Professor and Head, Department of Studies in Commerce, SBRR Mahajana First Grade College (Autonomous) PG Wing, Metagalli, Mysuru read the profile of resource person for the Programme, and stressed on necessity of gaining knowledge about the investment avenues present in the stock market. The Programme was taken over by the Resource person Ms. Vani. S, from Krisha foundation and narrated the significance of investments. She explained the probability of gaining more than Savings when one makes an Investment in Financial Investment products.

The student's awareness Programme concluded with the Vote of Thanks rendered by Mr. Shreenidhi. N. V, Assistant Professor, Department of Studies in Commerce, SBRR Mahajana First Grade College (Autonomous) PG Wing, Metagalli, Mysuru.

Target audience and No. of Participants/beneficiaries: 47 Students and 4 Faculty members.

3. Industrial Visit To Infosys Ltd. Mysuru Campus

The students of final year M.Com visited Infosys Ltd. Mysuru Campus on Saturday, 29th June 2024 between 9.15am to 3.00pm. This event is a part of industrial visit activity held by the Department of Studies in Commerce, PBMMEC, Metagalli, Mysuru. The students were seated in an Lecture Hall comprising of 180 seats and well equipped with latest of the teaching-learning delivery systems. Mr. Krishna G. Bhat welcomed the students and faculty and explained about the significance of the Global Education Centre. He told that about 11,000 trainees are getting trained in their respective technical domains including Coding, Testing, programming and maintenance of software and services and non-technical domains including Finance and Human Resource Management.

Mr. Shambhu, Coordinator for Training explained what the current job market requirements are and urged the students to take-up skill based courses to enable themselves to be capable of obtaining jobs. He also mentioned about the Infosys Springboard where more than 8000 courses are offered by Infosys at a free of cost. Completing domain specific courses would enable the students to get lucrative job opportunities. After the visit of orientation auditorium, students proceeded to Cyber Security Management Centre of the Infosys Ltd. Though, students were not permitted to enter the premises, the information about the working of the premises were given at the corridor of the Centre. Mr. Krishna G Bhat explained how Infosys is providing services to various governmental and banking sector with respect to managing cyber security. He also mentioned about having an interaction at the College where the students shall be made aware of what to expect when they face interviews at Infosys for various jobs for which Mr. Krishna G Bhat, Head-Training, Infosys Ltd., Mysuru had obliged and gave a tentative date in September 2024. Total number of participants includes 29 students and 2 faculty members.

1. Presentation by Students on World Conservation Day

On World Nature Conservation Day, second-year MBA students Prathima M P and Bhoomika H S delivered a comprehensive presentation titled “Assessing Public Awareness and Attitudes Towards Nature Conservation.” The presentation was a key event aimed at highlighting the significance of nature conservation and understanding the public’s perception of ongoing efforts in this domain. The session attracted an audience of 60 participants, including students, faculty members, and invited guests. The speakers emphasized the critical importance of these efforts in preserving biodiversity, mitigating climate change, and ensuring the well-being of current and future generations. They also highlighted significant challenges facing conservation efforts, such as habitat loss, pollution, and the adverse impacts of climate change. To provide a robust assessment of public awareness and attitudes, Prathima and Bhoomika employed a mixed-methods research approach. They conducted surveys, interviews, and focus groups, ensuring a diverse and representative sample. The survey was meticulously designed, incorporating multiple choice, Likert scale, and open-ended questions. These questions covered key aspects such as the level of awareness, prevailing attitudes, and the public's willingness to actively engage in conservation initiatives. The presentation concluded with a call to action, urging attendees to not only become more aware of conservation issues but also to take an active role in promoting and participating in efforts to protect the environment. The event was well-received, with engaging discussions following the presentation, highlighting the relevance and timeliness of the topic. 60 Participants attended the event, including students, faculty members.

Murthy
5/12/23

2. Interactive Session on job opportunities in government sector for MBA Graduates.

The session on job opportunities in government sector held on 20-10-2023 kick started at 11AM. Mayraj Fathima, student of 1st year MBA welcomed Mr. Murthy S, Business Head of Spardha Guru & the audience. Followed by, Mr. Murthy took over the stage and discussed the various job profiles available in government sectors and skills required to excel in those roles. He also emphasized that proficiency in **MS Excel** is an essential skill for most government jobs. Further, emphasizing the new age job roles he mentioned that knowledge of **Power BI** is becoming increasingly important in data-driven roles. At the far end of the session, the speaker threw some light about popular job search applications like **Glassdoor** and **Indeed.com**. He assertively mentioned that these apps provide a comprehensive list of job openings across various sectors, including the government sector. Followed by the session was Q&A Session where students posed lot of questions to clarify details about exam patterns, exam contents, reference materials and preparation methods. Mr. Murthy S, Business Head at Spardha Guru India Private Limited with over 10 years of experience in the domain.

The target audience were MBA graduates, and No. of Participants/beneficiaries were around 100 students.

February 20th, 2024

4. Special Guest Lecture & Interactive Session – Entrepreneurship & Intellectual Property Rights

On February 20th, 2024, Dr. Dharma Prasad, CEO & Chief Scientist, of Prosetta Biocon information Pvt. Ltd., delivered an insightful talk on the intersection of Intellectual Property Rights (IPR) and entrepreneurship. The event, held at Pooja Bhagavat Memorial Mahajana Education Centre, Mysuru, was organized by the Department of Studies in Business Administration under the aegis of Industry Institute Interaction & Entrepreneurship Cells for Second Year MBA Students. Dr. Prasad began by highlighting the importance of building networks in the entrepreneurial ecosystem. He emphasized the role of connections and collaborations in fostering innovation and growth for start-ups. Drawing from his own experiences as a successful entrepreneur, he shared practical tips on how to leverage networks effectively. Throughout his presentation, Dr. Prasad underscored the importance of strategic planning and proactive measures in navigating the complex landscape of intellectual property. He shared case studies and real-life examples to illustrate the potential benefits and pitfalls of different IP strategies. Following his talk, the audience engaged in a lively Q&A session, where they had the opportunity to seek further clarification and advice from Dr. Prasad. Topics ranged from practical tips for filing patents to the implications of IP infringement in the digital age. With the able support and guidance of Dr C.K. Renukarya, Director, PBMMEC, and Prof. Harish Machia, Head of The Department, DoS in Business Administration, PBMMEC, and the collective effort of the team of faculty, the event was successful. The event was graced by the presence of Dr. S R Ramesh, Chief Scientist & CEO, and Mr. Srinivas Thimmaiah, Course Coordinator, DoS in Business Administration, PBMMEC. Dr Preethi M, Associate Professor, DoS in Business Administration, PBMMEC and Aishwarya A, a Second Year Student served as the event coordinators. The target audience was second-year MBA Students. A total of one hundred and one Students were actively present in the session, and Nine Faculty Members.

5. Webinar on BSE Capital Market Awareness

The webinar on BSE Capital Market Awareness held on 6th March, 2024, commenced at 2:00 PM with a welcome address by the host, who emphasized the importance of capital market literacy for MBA students specializing in finance. The session was led by Mr. Venugopal Rayirath, a Senior Associate at Lotus Knowlwealth, Andheri, Mumbai. Mr. Rayirath began by introducing the basics of the capital market, explaining the structure and functioning of the BSE. He provided detailed insights into the trading process, the role of brokers, and the significance of indices like the Sensex.

The session was highly interactive, with Mr. Rayirath addressing queries from students on topics ranging from stock selection criteria to risk management strategies. He also shared his experiences from the industry, illustrating the practical challenges and opportunities within the capital markets. The webinar concluded with a discussion on the current trends in the market and the potential impact of global economic factors on the BSE. Overall, the session was informative and engaging, providing students with a solid foundation in capital market operations and investment strategies. The webinar was attended by 80 MBA students specializing in finance, and faculty members. The students actively participated in the session, contributing to the lively discussions and Q&A segment.

SUMMARY OF FEEDBACK
LKW SPEAKER

FOR THE SEMINARS CONDUCTED IN THE MONTH OF March-2024

Please provide average of ratings provided by program participants on a scale of 1 to 5 (5 being the highest) for following parameters :

Sr. No.	PARAMETER	Average rating				
		1	2	3	4	5
1.	How did participants find the overall program?				✓	
2.	Whether program participants found that the speaker delivered as per the subject matter?					✓
3.	Did participants find the duration of the program as appropriate?					✓
4.	Opinion of program participants on the overall arrangements (logistics)?					✓
5.	Did program participants feel that they learned something new from the program?					✓

6. Provide couple of topics which program participants requested to cover in next program :

Bombay stock exchange
it is very helpful to analyze the stock

7. List out any two important suggestions / comments:

Need brief information about the Bombay stock exchange.

Affiliated to University of Mysore

Re-Accredited by NAAC with 'A' Grade, College with Potential for Excellence

Post Graduate Wing

Pooja Bhagavat Memorial Mahajana Education Centre

K R S Road, Metagalli, Mysuru – 570 016

Date: 14-03-2024

Title of the event: Online Workshop on Personal Financial Planning

Venue: Pooja Bhagavat Mahajana P.G Education Centre, Metagalli, K.R.S. Road, Mysore-570016

Details of the department organizing the event in collaboration with institution:

Internal complaint Committee, PBMMEC, Mysuru in association with Advisor's organization, powered by SEBI, AMFI and UTI organized online Personal Financial Planning Workshop for teaching, non-teaching staff and female students of PBMMEC.

Purpose & Scope

The purpose of the personal financial planning workshop is to provide participants with the knowledge, skills, and tools necessary to effectively manage their personal finances. This includes understanding key financial concepts, setting financial goals, creating budgets, managing debt, investing wisely, planning for retirement, and protecting assets through insurance.

Scope:

The workshop covers various aspects of personal finance such as financial goal setting, budgeting, savings and investment. Participants will learn how to identify short-term and long-term financial goals and create a plan to achieve them.

Objectives

To improve participants' financial literacy and understanding of basic financial concepts.

To empower participants to take control of their finances and make informed financial decisions.

To provide practical tools and strategies for budgeting, saving, investing, and managing debt.

To foster confidence and self-reliance in managing personal finances and planning for the future.

Details of the event

An online Personal financial workshop for all the female students, teaching and non teaching staff was held on 14th March 2024. Offline screening was held in MTA auditorium. Ms Spoorthi S, III sem MBA student rendered welcome speech. She gave an overview of role of Internal compliant committee and importance of the programme.

Resource person Ms Shakuntala Pareek discussed the importance of financial literacy. She gave a real-life scenarios and examples about financial principles and shared tips for effective financial planning and goal-setting.

The importance of budgeting for business success were highlighted. Information about stocks, bonds, mutual funds, asset allocation, index fund, ways to invest in a mutual fund, systematic withdrawal plan, the Power of Compounding, Schemes related documents, Mutual Fund Scheme, Arbitrage Funds, Fund of Funds, International Funds, Gold Exchange traded fund, Exchange-Traded Funds (ETF), Solution Oriented and other Schemes, Hybrid Fund, Hybrid Schemes, Debt Funds Categories, Types of Debt Funds were discussed.

Ms Aishwarya A, III sem MBA student rendered vote of thanks

Resource Persons Details: Ms Shakuntala Pareek, Managing Director at Pagdandi Edusol Private Limited.

Target audience

217 participants registered for the online programme. 63 female students along with 8 MBA faculty attended offline screening and 21 teaching and non-teaching staff attended the online session.

6. Quizfinity

The Special Guest Lecture & Interactive session were organized by The Department of Studies in Business Administration, Pooja Bhagavat Memorial Mahajana Education Centre, Mysuru. The purpose of the VINUTHANA Orientation Programme was to warmly welcome the incoming batch of MBA students for the academic year 2024-25 and to introduce them to the ethos, culture, and academic expectations of the Department of Studies in Business Administration at Pooja Bhagavat Memorial Mahajana Education Centre (PBMMEC).

The event also aimed to inspire students to embrace holistic development through the SPICES framework, focusing on Social, Physical, Intellectual, Creative, Emotional, and Spiritual growth. This orientation served as a platform to build a strong foundation for the students' two-year journey in the MBA program. The VINUTHANA - Welcome & Orientation Programme, held on the 28th of February 2024, marked the beginning of a new academic journey for the MBA students of the 2024-25 batch at Pooja Bhagavat Memorial Mahajana Education Centre (PBMMEC), Mysuru. The event, themed around the SPICES framework (Social, Physical, Intellectual, Creative, Emotional, and Spiritual), was designed to offer a comprehensive introduction to the vibrant and dynamic ethos of the Department of Studies in Business Administration. The programme not only set the academic tone for the year but also aimed to inspire students to adopt a holistic approach to their personal and professional development.

The event began with the rendition of the traditional Naadageethe (Karnataka State Anthem), setting a cultural and respectful atmosphere. Following this, the dignitaries – including Dr. C K Renukarya, Director of PBMMEC; Prof. Harish K Machia, Head of the Department; and Mr. Srinivas Thimmaiah, Assistant Professor & Course Coordinator – proceeded to the ceremonial lamp lighting. This act symbolized the enlightenment of knowledge, wisdom, and guidance that would light the way for the students during their time at the institution. Prof. Harish K Machia then took the stage to introduce the faculty members, each of whom brought specialized expertise and a deep commitment to the students' development. He outlined the department's

values, stressing the significance of discipline, innovation, and cultural sensitivity in becoming successful business professionals. He urged the students to adopt a proactive approach to learning and participate in various activities that foster creativity and intellectual growth, in line with the SPICES theme.

The highlight of the event was an inspiring presidential address by Dr. C K Renukarya, Director of PBMMEC. In his speech, Dr. Renukarya shared valuable insights about the rapidly changing global business environment and the increasing demand for leaders who possess not only technical and managerial skills but also strong communication abilities and a broad worldview. He advised students to focus on improving their English communication, cultivate a habit of reading, and engage in self-development beyond academics. He underscored the importance of holistic education, encouraging students to excel not only intellectually but also socially, emotionally, and creatively. His motivational address served as a call to action for students to fully embrace the opportunities available to them during their MBA journey. Throughout the event, the new batch of students was introduced to the academic expectations, rules, and values that would guide their educational experience at PBMMEC. The ceremony fostered a sense of unity and purpose, helping the students feel more connected to the institution and their peers. The orientation also served as a platform for them to become acquainted with the faculty, the academic curriculum, and various extracurricular activities designed to enrich their learning experience.

"Knowledge is Power.... Agile Ability is the Next "

an inter-college Business Quiz Competition

30th April, 2024, Tuesday
Venue: MTA Auditorium, PBMMEC

About the Institution
Mahajana Post Graduate Centre is an exclusive PG wing of SBRR Mahajana First Grade College, (Autonomous). The Centre is the largest PG Centre affiliated to the University of Mysore. It was established in July 2004 with the motto "Enter to Learn, Depart to Serve". The Centre offers courses from pre-school to the post graduation in the areas of direct relevance and value to the current generation of students. Along with the existing 09 disciplines the Centre is poised to start new courses in the years to come. Mahajana Education Society today is an institution that is well past its platinum jubilee, with a multitude of educational institutions set up under its banner across various disciplines.

About the Department
The Department of Studies in Business Administration was started in 2004 considering the growing needs of the business world. The value added curriculum practiced at our campus has been effective in creating professional expertise and leadership qualities among our graduates. These programs include industrial visits, internships, exposure to international arena, projects, soft skill training, community development programs and entrepreneurship training.

About the Event
Quizfinity is an exciting event that brings together students from various colleges to showcase their knowledge and skills in the field of business. Participants engage in rounds of challenging questions covering topics such as finance, marketing, management, entrepreneurship, and current affairs related to the business world. Inter - College Business Quiz promotes intellectual engagement, teamwork, and a spirit of healthy competition among future business leaders.

Join us, and let's embark on a journey of discovery, fueled by passion, driven by knowledge, and illuminated by the infinite possibilities of the business realm.

Rules and Regulations

- Carrying college ID card is mandatory.
- Punctuality is required for the event.
- Participants should report to the Venue by 9:00 am
- Each team should consist of two participants.
- There are no restrictions on teams from the same college.
- Fill out the Google form with clear details and upload the documents to avoid time-consuming verifications.
- Jury's decisions will be final and binding.
- Eligibility criteria: All UG and PG students.
- Online Registration closes at 5.00 pm on 29th April 2024

Title of the Event: Workshop on Utilizing Prowess Database Management for Research Projects
Venue: MBA Computer Lab, PBMMEC, Mysuru - 16

The Department of Studies in Business Administration, Pooja Bhagavat Memorial Mahajana Education Centre, initiated the training programme to provide both students and faculty members with practical experience and comprehensive knowledge of the Prowess Database Management system.

Purpose & Scope

The primary objective of the workshop was to provide both students and faculty members with practical experience and comprehensive knowledge of the Prowess Database Management system. This tool, developed by the Centre for Monitoring Indian Economy (CMIE), is essential for conducting thorough research projects, offering extensive data on the financial performance of companies.

The Brief of the Event

The hands-on workshop on utilizing Prowess Database Management for research projects was successfully conducted on the 18th of July, 2024. The session was facilitated by Mr. Debarshi Kumar Deb, the Business Relationship Manager from CMIE, Bengaluru. The workshop commenced with an introduction to the Prowess database, covering its features, capabilities, and the vast array of data available for research.

Mr. Deb led the participants through a series of practical exercises, demonstrating how to efficiently navigate the database, extract relevant data, and analyse it for various research purposes. Participants were encouraged to actively engage in the exercises, fostering a collaborative and interactive learning environment.

Throughout the workshop, Mr. Deb emphasized the importance of utilizing accurate and comprehensive data in research and how Prowess can significantly enhance the quality of research outputs. The session concluded with a Q&A segment, where participants sought clarifications and further insights into advanced database functionalities.

Resource Person Details:

Mr. Debarshi Kumar Deb, Business Relationship Manager at CMIE, Bengaluru, holds extensive expertise in database management and has a proven track record of assisting academic and corporate researchers in leveraging Prowess for their projects.

Target Audience:

The workshop saw active participation from 110 students and 9 faculty members and 5 non teach staff.

Monday, July, 01st, 2024

Title of the Event: – Faculty & Student Development Programme: AI in Academic Assignments and Research Publications

Venue: MBA Computer Lab, PBMMEC, Mysuru - 16

The Department of Studies in Business Administration, Pooja Bhagavat Memorial Mahajana Education Centre, Mysuru conducted the Faculty & Student Development Programme.

Purpose & Scope

The Faculty & Student Development Programme aimed to introduce and explore the applications of Artificial Intelligence (AI) tools in academic assignments and research publications. The event provided hands-on experience and insights into various AI tools, emphasizing their utility in enhancing academic productivity and research quality.

The Brief of the Event

The event was conducted on two separate dates to cater to different faculties and student groups. *On June 24th, the focus was on Finance faculty and students, while on July 1st, the HR and Marketing faculty and students participated.*

The programme commenced with an introduction to the significance of AI in academia. Participants were introduced to various AI tools, including JENNI, EXPLICIT, HARPA, PERPLEXITY, CHATGPT, & CO-PILOT. Each tool's functionality was demonstrated, highlighting how these tools can assist in generating content, conducting research, improving writing quality, and enhancing overall academic performance.

JENNI and EXPLICIT were showcased for their capabilities in generating research content and managing references. HARPA and Perplexity were demonstrated for their effectiveness in data analysis and visualization. ChatGPT and Co-pilot were introduced as versatile tools for drafting

and refining academic papers, creating presentations, and providing instant assistance in various research-related tasks.

The sessions included interactive workshops where participants used these tools in real-time, exploring their features and benefits. Feedback from participants was overwhelmingly positive, with many expressing enthusiasms about integrating these AI tools into their academic work.

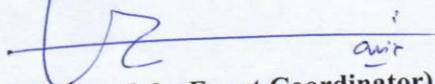

The Faculty & Student Development Programme successfully highlighted the transformative potential of AI in academic assignments and research publications. The event equipped participants with the knowledge and skills to effectively utilize AI tools, thereby enhancing their academic and research capabilities

Resource Person Details:

The sessions were conducted by Dr. Sunil M V, Assistant Professor, SDMIMD, & a renowned expert in AI applications in academia. Dr. Sunil M V has extensive experience in leveraging AI for educational purposes and has conducted numerous workshops and training sessions on the subject.

Target Audience:

The event saw active participation from both faculty and students. On June 24th, around 4 Finance faculty members and 58 Finance students attended the session. The July 1st event had a turnout of 6 HR and Marketing faculty members and 56 students from the respective departments. The participants engaged actively in the workshops and provided valuable feedback on their learning experience.

Department of Microbiology

1. Title of the Event: One Day Invited Lecture on “Mushrooms in human nutrition and health” dated on 4-12-2023

One day Invited Lecture was organized by Department of studies in Microbiology. The theme of the seminar imparts the knowledge on diversity studies of various wild and edible mushrooms. The lecture was denoted with the distribution of biomolecules profile and biological activities to regulate pathogenic organisms and human cancer cells. The Resource person on the respective scientific session was **Dr. K. R Sridhar**, Adjunct Professor, Department of studies and Research in Bioscience. Dr. K. R Sridhar highlighted on the diversity studies of various wild and edible mushrooms. He explained in detail about the climatic conditions, physical growth parameters and nutritional profile of mushrooms. Dr. K. R Sridhar had displayed wide variety of mushrooms grown in and around the campus of university of Mangalore, Konaje. Among the numerous species, they identified the new mushroom species and named it as *Amanita konajensis*. Other wild and edible mushrooms were identified as *Ganoderma lucidum*, *Ganoderma pfeifferi*, *Cyathus striatus*, *Cordyceps* sp and *Ophiocordyceps* sp. Nutritional effect of these mushrooms had various efficacies against cancer cells, diabetes, pathogens and other protein deficiency disers. No. of Participants/beneficiaries: 60

2. Invited Lecture

Title of the Event: One Day Invited Lecture on “Exploring emerging trends in Life Sciences Industry & Intellectual property rights” dated on 6-2-2024

One day Invited Lecture was organized by Department of studies in Microbiology. The theme of the seminar imparts the life science industry advancements in technology, research, and innovation. Two distinguished speakers, Dr Dharma Prasad and Dr.Arun Chand Rayaroth, shared valuable insights into key aspects of the industry at our recent event. This report highlights their presentations on Intellectual Property Rights (IPR) by Dr. Dharma Prasad. Innovation and challenges in the Life science Industry: focus on Poultry farm management and their feed quality and biosafety by Dr.Arunchand. The Resource person on the respective scientific session was Dr Dharma Prasad,CEO and chief scientist ,Prosetta Bioconformatics pvt ltd, Mysuru and Dr.Arun Chand Rayaroth, Head, Quality and Research , Zeus Biotech pvt ltd, Mysuru. Dr. Dharma Prasad began his presentation by emphasizing the critical role of intellectual property in the life science industry. He discussed the significance of patents, trademarks, copyrights, and trade secrets in protecting innovations and fostering a competitive environment.Dr. Dharma Prasad highlighted on Patents and Innovation: Prasad highlighted the increasing number of patent applications in the life science sector. He discussed how patents not only protect inventions but also encourage researchers and companies to invest in groundbreaking discoveries. Dr. Arunchand Rayroth delved into the specific trends shaping the life science industry, focusing on advancements in poultry feed technologies. Dr. Arunchand Rayroth emphasized on precision nutrition: The speaker discussed how precision nutrition is transforming the poultry feed sector, allowing for more targeted and efficient feeding strategies. This involves tailoring diets to individual bird requirements based on factors like genetics, age, and health status. No. of Participants/beneficiaries: 60

Department of Social Work

1. Orientation Day Visits - Visit to Old Age Home-Sevayaana

On 28.06.2024, II semester social work students conducted an orientation visit to Sevayana Trust, Old Age Home. The visit aimed to provide students with practical insights into the lives of the elderly, the operations of an old age home, and the various social, emotional, and health challenges faced by senior citizens. Sevayana Trust is a non-profit organisation established in the year 2020. The trust is operational in the area of Mysuru, Karnataka. Elderly care and women's empowerment are two important and interconnected topics that have significant social, economic, and cultural implications and Sevayana works on these aspects.

The orientation visit to the old age home was a valuable learning experience for the social work students. It provided them with firsthand insights into the lives of the elderly and the operations of such facilities. The visit reinforced the importance of empathy, respect, and dedicated care for the elderly and inspired students to contribute meaningfully to this field. The observations and recommendations from this visit will serve as a foundation for future social work interventions and community service initiatives.

Photos

2. Orientation Day Visits – Visit to Bharath Cancer Hospital

On 27.06.2024II semester MSW students visited Bharat hospital institute of oncology for an orientation. This visit was organized to provide the students with first hand experience and understanding of the role of social workers in a healthcare setting, particularly in a cancer hospital. The visit aimed to enhance the students' knowledge and prepare them for their future roles in social work within the medical field. The visit highlighted the critical role social workers play in supporting cancer patients and their families. This includes providing emotional support, counselling, facilitating communication between patients and healthcare providers, and helping patients navigate the healthcare system.

The orientation visit to visited Bharat hospital institute of oncology was a valuable learning experience for the social work students. It provided them with a deeper understanding of the healthcare environment and the crucial role social workers play in cancer care. The insights gained from this visit will undoubtedly enhance their ability to provide compassionate and effective support to cancer patients and their families in their future careers.

3. **Orientation Day Visits – Visit to District Child Protection Unit** On, 27/11/2023 at 2:00 from MSW department we had been to District child protection unit, Sarkari Balakara Mandira which is located in vijayanagar 4th stage, Mysuru. To understand what kind of children are under DCPU, either children conflict with law, child labour, orphans and child abuse and also to observe how physical or emotional care are being provided ,Psychological counseling and other basic materials like food and clothing services. It is a government institution where orphanages and juveniles are taken care it is a institution where only boys under 18 are under district child protection unit. It works to help children adjust to the society. Speaking at the program, Mr. Raghu (program co-coordinator) explained, "Maharashtra government was the first to start a committee based on welfare of children who are forced into child labours child trafficking etc., in the year 1996. Also special juvenile protection officer counselling for family members and children weekly three days: Monday, Wednesday and Friday is available.

Photos

4. Orientation Day Visits - Visit to Basavamarga Rehabilitation Centre

On 28/11/23 around 3:00pm from department of social work, we had visited Basavamarga Rehabilitation centre .To know about the organizational and physical setup of the centre. Also to gain knowledge regarding treatment measures to patients with drug addiction. Mr. Manjunath working as counselor of the centre explained that, “They Aim towards providing all addicts so that they can develop their potential to the full. Basavamarga Foundation was registered in 2017 officially. The community has served the society since 1991 and currently manages multiple funds for individual family and foundation donors and local nonprofit. In the last seven years they have been doing charity and de-addiction works in association with other charitable organizations. During

its rich history of partnering with donors and the community, the foundation has earned an outstanding reputation for services ,transparency and reliability. Mr. S Basvaraj was the founder and Mr. Prakash Prabhu is the trustee. Dr. Shashank is the psychiatry and Dr. Anand is the physician. There are 140 people who are admitted for 3 months. This is the spiritual programme for the Addicts. All the facilities are provided and there are co-curricular activities so that they can divert their mind and can indulged themselves. Gym facilities are provided and yoga trainer will teach yoga. He continued explaining "During Pandemic the School kids, teenagers were addicted to substances and had more cases compared to the time of pandemic. Counseling and therapies will be provided to the patients. The patients will get withdrawal symptoms after 3-4 hrs. Without medications they depend on 5D's to overcome: Deep breathing, Drinking water, Discuss, Diversion and Decision. They also took all of us to show the surrounding, infrastructure, facilities of the centre and end the session.

6. Cervical Cancer-

The Department of Social Work, IWC of Mahajana PG centre in collaboration with the Public health research institute, Mysuru had organized an awareness programme on “Understanding cervical cancer and observance of Human Papilloma Virus awareness day” on 04.04.2024 in the PBMMEC campus for the girl students and female staff of the PG centre. The Programme aimed to educate and empower female students about the importance of cervical cancer prevention, early detection, and treatment. Dr. Vijaya Srinivas, Senior clinical research physician, PHRI Mysuru

was the resource person. Topics covered included the causes of cervical cancer, the significance of regular screenings, available vaccination programs, and methods of prevention. Mrs. Poornima Jayakrishna, Administrative officer, PHRI Mysuru and team of PHRI were present in the programme. The response to the Programme was overwhelmingly positive. Beyond knowledge, the programme fostered a sense of community and support among participants, paving the way for ongoing dialogue and solidarity.

7. Magic Bus Report

The department of Social Work in collaboration with Magic bus foundation organized Community outreach and mobilization programme in the slums of Metagalli, Mysuru. The students assembled near Metagalli bus stop and were given an orientation about the programme. Students were divided in small groups to visit 7 different lower income slum areas of Metagalli. The department had framed a google form to collect data about under graduate women individuals. The agenda was to create awareness about employment

8. Women Health Awareness Programme

The department of Social Work in collaboration with IWC of Mahajana PG centre and Motherhood hospitals had organized a programme for the women staff and students of the PG centre titled "Navigating the Journey through PCOD, PCOS, and Menopause – A Women's Health Awareness Programme". Women's Health Awareness Programme titled "Navigating the Journey through PCOD, PCOS, and Menopause." The programme aimed to empower women with knowledge and tools to better manage and navigate the challenges associated with Polycystic Ovary Syndrome (PCOS), Polycystic Ovarian Disorder (PCOD), and the menopausal transition. Dr. Shwetha Nayak Consultant - Obstetrician & Gynecologist, Gynecology and Laparoscopic Surgery, Motherhood hospital, Mysuru was the resource person along with Dietician Ms. Neethi, Clinical dietician, Motherhood hospital, Mysuru. Dr. Bhavana , Asst Professor and Head of Social Work Department and the co-ordinator of the programme introduced the guests and welcomed the gathering. The session was taken over by Dr. Swetha and Dr. Neethi. The programme ended with a long interaction with the audience.

Department of Masters in Computer Applications

To enhance learning experiences, the department is embracing student-centric methods such as experiential learning, and participative learning. Experiential learning involves real-world experiences like industrial visits, where students observe and understand practical applications of their theoretical knowledge. The industrial visit organized by the department bridged the gap between classroom concepts and industry practices, providing valuable insights.

Participative learning is fostered through events organized like coding, best out waste and multimedia presentation competitions. These competitions made the students collaborate, discuss, and engage in hands-on activities, enhancing their teamwork and problem-solving skills. Poster presentation event, on the other hand, allowed the students to present their research or project findings creatively. This format encouraged peer feedback, critical thinking, and effective communication, as students explained their work and engaged in discussions.
