Date: 6<sup>th</sup> June 2023

### **Department of Physical Education and Sports**

#### **"Yoga is Effective in Combating Physical, Mental and Emotional Issues"**

**- Mayor Shivakumar**

"Mysuru, known for its splendid palaces and magnificent temples is popularly known as the 'City of Palaces' and 'The Heritage City'. It is equally important for Mysuru to be recognized as the 'Yoga City'", opined Shri Shivakumar, the Mayor of Mysore. He spoke at the inauguration of the curtain raiser event of the 9<sup>th</sup> World Yoga Day organised by The Ministry of Ayush, Government of India and Morarji Desai National Institute of Yoga, New Delhi in association with Mahajana Education Society and Sri Vedavyasa Yoga Pratishthana ® at APJ Abdul Kalam Stadium at Mahajana First Grade College (A), Jayalakshmpuram. He said "The main credit for the establishment of yoga in Mysuru goes to the Maharaja of Mysore, Krishna Raja Wadiyar IV. The Maharaja was interested in the promotion of yoga and continually sent Krishnamacharya around the country to give lectures and demonstrations. Later, he was given the wing of a nearby palace, the Jaganmohan Palace, to start the Yogashala, an independent yoga institution. He lauded the contribution of Prime Minister Narendra Modi in celebrating World Yoga Day on the 21<sup>st</sup> of June. The first citizen of the city encouraged young minds to practise yoga regularly and went on to share that yoga was the secret of his success, which aids physical, mental, emotional, and spiritual well-being. He added that there were plans to offer yoga sessions regularly to all the employees of Mysore City Corporation.

Dr. K Raghavendra Pai, Hon. Secretary, Sri Vedavyasa Yoga Pratishthana said, "Yoga an Indian tradition gifted to the world, is a powerful tool for inner engineering through which one can explore the metaphysical and achieve spiritual oneness". He went on to add that a total of 177 nations co-sponsored the resolution of celebrating World Yoga Day on the 21<sup>st</sup> of June every year, which is the highest number of co-sponsors ever for any UN General Assembly resolution. He also expressed happiness about how Mysuru had become the Yoga hub along with Rishikesh in India. He threw light on Sritattvanidhi, a treatise authored by Krishna Raja Wodeyar III and one of its sections which includes illustrations of 122 hatha yoga postures. He lauded the contribution of Mahajana First Grade College and its rich legacy which had contributed to the enrichment of yoga.

Later, Mr. Muralidhar Bhagvat, President, Mahajana Education Society in his yogic message said, "The origin of Yoga can be traced in India to 5,000 years ago. He opined that yoga for harmony and peace, the slogan of the first-ever International Yoga Day was indeed a good start as yoga is a spiritual discipline based on an extremely subtle science, which focuses on bringing harmony between mind and body. This year's theme, 'Vasudaiva Yoga Kutumbakam' focuses on one world, the need of the hour. He added that the institution takes

pride in working towards the all-round development of the students, which is important. He hoped that everybody would make yoga a part of their daily routine.

On the occasion, an MoU was exchanged between Mahajana Education Society and Vedavyasa Yoga Pratishthana Trust @. This was followed by a practical demonstration of yogasanas spearheaded by Dr. Pai. Around thousand volunteers took part in the demonstration. 'Amrita Yoga' Medal along with a certificate was distributed to all the registered participants as a token of encouragement. Yoga Exhibition was also unveiled on the occasion by paying floral tributes to Swami Vivekananda. Dr. T. Vijayalakshmi Muralidhar, Hon'ble Secretary, Mahajana Education Society inaugurated the exhibition. This was followed by special lectures and interactive sessions on the topic 'Yoga in Education'. Pujya Swami Mahamedhanandaje Maharaj, Yogacharya Dr. P N Ganesh Kumara and Retd. PDG Ranga Krishna delivered talks on the importance of Yoga in student life, Yogic remedies for study challenges and lessons from the Bhagavad Gita in study life respectively. Yoga helps in sharpening the mind and improving one's intelligence. We can achieve a higher level of concentration through yoga and learn how to be steady emotionally. It connects one to nature like never before and enhances social well-being as well. In addition, Yoga helps develop self-discipline and self-awareness if practised regularly. These were some of the benefits highlighted to the students about Yoga. The Bhagavad Gita lays a strong emphasis on ethical conduct and moral values. An education system based on integrating these principles into the education system can help foster a sense of honesty and compassion among students. By studying the Gita, students can gain a deeper understanding of the importance of leading a righteous life and making ethical choices, thereby shaping their character and behaviour added the speaker. In the days of increased commercialization and consumerism, the speaker said it is imperative students do not become money-minded and therefore giving them spiritual values was essential as well, thus it is vital to give them a holistic education. Thus, the essence of yoga and Bhagavadgita was highlighted to the students.

Dr. T Vijayalakshmi Muralidhar, Hon. Secretary, Mahajana Education Society, Prof. P Saejamma, Administrative Officer, Dr. S R Ramesh, CEO, Dr. Seedhara H, Dean, Heads of the sister institutions shared the dais. Dr. B R Jayakumari, Principal, Mahajana First Grade College welcomed the gathering. Dr. H R Thammegowda, Convenor proposed the vote of thanks. Ms. Geetha D and Mr. Sunil N, the faculty members were the masters of the ceremony. Manasa and Team presented the Veda Prarthana. The teaching and non-teaching staff members, students of NCC, NSS, sports and VoMC were present at the event. 210 students took active part in the event.

### **Department of Physical Education and Sports**

#### **The Art of Mediation for Inner Peace**

“Meditation is the art of doing nothing. It gives one a sense of calmness, inner peace and balance that can benefit both the emotional well-being of an individual and overall health” said, Ms. Rena Dilip accompanied by Mr. Gowtham M of the Art of Living Centre at a Meditation Camp organised by the Department of Physical Education, NCC and IQAC of SBRR Mahajana First Grade College (Autonomous), Jayalakshmpuram, Mysuru on 3<sup>rd</sup> July 2023.

The resource persons Ms. Rena Dilip and Mr. Gowtham addressed the students on the importance of Meditation and its benefits. Ms. Rena Dilip, expounding on the art of living philosophy said, Meditation is a journey from sound to silence, from movement to stillness. Meditation is food for the soul. Music is food for emotions; knowledge is food for the intellect, entertainment is food for the mind and meditation is the food for our soul or spirit. Elaborating on the benefits of practising meditation every day, she said the benefits are many like it helps students especially to concentrate on their studies, helps them think clearly, and strike a balance in their emotions even in stressful situations.

Mr. Gowtham M in his pep talk to the students said meditation helps an individual to realize her/his full potential, and its everyday practice should help our system remain stress-free and free the accumulated stress which is the reason for many chronic diseases too. Quoting Gurudev Sri Sri Ravi Shankar who calls “Meditation as the normal state of consciousness, since we are endowed with the ability to live in that state”. In a technology-ridden world that has no doubt benefited us it has added to our stress and therefore it is necessary to practice the art of meditation not just dismiss it as a breathing exercise the speaker said.

The speaker stressed meditation is an ancient Hindu practice that can be dated to 1500 BC and scientific studies have proved its benefits both on physical and mental health. The mental health benefits of meditation include the ability to focus and concentrate better, enhanced self-awareness and self-esteem, lower levels of stress and anxiety, and fostering kindness to beat depression and other factors that disturb one emotionally. Meditation also has benefits for your physical health, as it can improve your tolerance for pain help fight substance addiction, and sleep better. All in all, it gives a positive energy the speaker added. Meditation can help one learn to stay centered and maintain inner peace.

The resource persons Ms. Rena Dilip and Mr. Gautham also demonstrated a few exercises and conducted a mini-meditation session with the students. During the breathing exercises, the speaker added, that the qualities of proper breathing are it should be deep, smooth, even, continuous, and quiet. Proper inhaling and exhaling would cleanse the system well. The participants were made to practice Lion's breathing, alternate nostril breathing, deep breathing, humming bee breathing, and sitali breathing. Bellows breath, 4-7-8 breathing techniques. The session was very lively and interactive as he emphasized how physical and mental well-being are connected and both go hand in hand towards blessing us with a holistic, long and healthy life.

Dr. B R Jayakumari, Principal, SBRR Mahajana First Grade College in her remarks said meditation is an age-old practice that originated in India and added apart from physical, and emotional well-being, the practice of meditation at a higher level can help one spiritually too and this can be seen in our legends and Puranas too.

Dr. Bhaskar H.N. introduced the resource persons from the Art of Living Foundation and briefed the gathering about the relevance of meditation for the students and everybody in general. Major Nikil BR proposed the Vote of Thanks. Mr. Madhusudan from the Department of Physical Education, and students from various departments were present at the event and benefitted from the talk. 120 students benefitted from the programme.

Date: 24 April 2024

**Title:** Report on Eye check up camp done in the college premises for the teaching and non teaching staffs

**Eye Checkup Camp Report:** A collaborative effort between Wellness Centre, Rotaractors and Nethradhama Eye Hospital. In a laudable initiative to promote universal eye health, the Rotaractors of SBRR MFGC College and Wellness Center in collaboration with Nethradhama Eye Hospital to organize an eye checkup camp. The camp aimed to provide essential eye care services to the local community, addressing prevalent issues of visual impairment and blindness that affect a significant portion of the population.

As part of this initiative, various eye health screenings were conducted, focusing on common conditions such as refractive errors, which have been identified as a leading cause of visual disability, thereby highlighting the necessity for accessible eye care services in under served areas. Dr. Ramya and Dr. Ankitha along with the staff members of the hospital conducted a successful Eye check up Camp for the faculties and students of our college. The camp not only facilitated immediate eye examinations but also aimed to improve awareness about eye health, encouraging participants to seek further treatment when needed, a crucial step in managing eye health disparities among vulnerable populations.

In particular, the camp provided free medical aid and the option for corrective spectacles, ensuring that participants received not only diagnosis but also practical solutions to their visual problems, similar to initiatives aimed at preventing and treating visual impairment among underprivileged groups in other contexts.

This collaborative effort between the Rotaractors and Nethradhama Eye Hospital exemplifies the potential impact of partnerships between community organizations and healthcare providers in addressing the broader challenges of universal eye health, as has been observed in other programs focused on improving eye care access and outcomes.

Additionally, the camp served as a platform for educating participants on the importance of regular eye checkups and the correlation between timely interventions and better long-term outcomes for conditions such as cataracts and diabetic retinopathy, which are prevalent in many communities and can lead to severe visual impairment if left untreated.

Furthermore, the success of this camp underscores the importance of community outreach in enhancing the accessibility of eye care services, a strategy that has been effectively employed in various high-burden regions to combat preventable blindness and improve overall public health

Moreover, the event sparked conversations about the need for a continuous and systemic approach to eye care within the community, reinforcing the idea that structured eye health programs can effectively reduce preventable blindness and improve access to essential services, as demonstrated by successful initiatives in other parts of the developing world.

In conclusion, the eye checkup camp not only provided valuable immediate care but also laid the groundwork for future initiatives aimed at fostering sustainable eye health practices, highlighting the critical need for ongoing educational efforts and community involvement to ensure lasting improvements in eye care accessibility and outcomes.

The event's impact illustrated that, when integrated with local health policies, such initiatives can lead to significant advancements in eye care access and overall population health, echoing the successful strategies seen in various eye care programs around the world that emphasize community engagement and education as key components in the quest for universal eye health.

**Report on Special Lecture - \*Titled: \* Scaled Agile with Azure DevOps.**

Department of Computer Application and IQAC, SBRR Mahajana First Grade Collage, Mysore had organised a special lecture on "**Scaled Agile with Azure DevOps**" on 21st October 2023.

The resource person was Sri.Santhosh P B, System Architecture Leader, Schneider Electric, Bengaluru. Session started at 11.30 by welcoming the principal Dr B.R.Jayakumari and Resource person .

After that session was continued by resource person he introduced himself and small introduction was given about the company by displaying video related to it like what they do in the company, what they are going to build etc. He works on Industrial automation.

The discussion begins on the challenges faced in modern industrial automation. It lays the ground work by exploring the basics of software engineering and its relevance in this context.

The next topic was challenges of software development, in that he took one image as an example and explained how product will be built, like customers will tell their requirements and the end product will be something.

After he explained the waterfall model, the steps in detail was explained. then typical life cycle of development was explained and also highlighted the shift from the traditional Waterfall methodology to the Agile approach. While Waterfall often results in wasted effort when client satisfaction isn't achieved, Agile offers flexibility and adaptability to address evolving requirements.

After these doubts from students was cleared by the resource person.

The next topic was need for an agility ?why we need this was discussed.

Agile vs waterfall model . Agile which 12 principles. all the 12 principles were explained in detail which is nothing agile manifesto and also Agile as a guideline that encourages accepting imperfections and fostering flexibility. It emphasizes the importance of a feedback cycle to rectify issues, leading to greater client satisfaction.

Agile and Scrum topic

This iterative approach ensures that increments are ready for review after each Sprint, allowing for continuous feedback and improvement. The Scrum process is described by speaker, which includes an Agile development team, a Scrum Master, and Sprints which are defined time intervals. A clear strategy and effective communication are essential elements that will ultimately result in the delivery of the finished project.

The speaker gave us an overview of the Devops, that covered the introduction of cyclic and continuous delivery, the advantages of Devops, and the life cycle of Devops.

One of the tool of Devops, that is azure Devops was discussed by taking one live project as an example in which resource person is working on and one video was played with gave better understanding of how Devops is used.

Dr.B.R. Jayakumari, Principal, and Smt. Shruthy Poonacha, Controller of Examination, Sri Radhesh Head of the Department of Computer Science and Application and the staff members of the department were present. 76 students of III-year BCA were the beneficiaries of this interactive session. At the end there was a question and answer session, in which the students participated actively.

**Report on Interactive Session**

**Insight into the world of Cyber Security and Career Opportunities**

An interactive session on "Insight into the world of Cyber Security and Career Opportunities" was organised by the Department of Computer Science and Applications and IQAC, SBRR Mahajana First Grade College(A) Mysuru on 29<sup>th</sup> November 2023.

Mr Sudhir Madhugiri, Partner in Pillar5 and Infinite Rise, Bangalore interacted with the students on this topic. He has 25 years of industry experience having played leadership roles in renowned companies such as Gartner, Thomson Reuters , Wipro and Infosys. Mr.Vijayanand Gurudev, Co-founder of Startup Grit Business Circles Private Limited, Mysore was the resource person for the session.

Mr. Madhugiri sharing his views on Cyber Security encouraged the students to make Cyber security, a career and said it was one of the most promising fields in terms of job opportunities He threw light upon the importance of Cyber Security, which protects our personal information, financial assets, from unauthorized access. He explained the seven layers of Cyber Security which are named "Onion rings". He also explained the relationship between the Systems Interconnection Layer & Cyber Security. He took different case studies like Dominos , Zomato , Wipro , PNB , Air India and explained the cyber-crime that had happened in those cases and their repercussions. He briefed about the top 15 Cyber Security threats.

Mr.Vijayanand Gurudev cast light upon different types of cyber security with an example of a time scenario like a deep fake of a famous actor or actress booming in social media. He also explained about the cyber-attacks in the past few years like cyber-attacks targeting 36

government websites in 2023, According to the Hindu journals India emerged top-5 victim of Cyberattacks in H1 CY23.

Speaking about career opportunities, Mr Vijayanand Gurudev talked about the pre-requisites for entry-level opportunities for a job profile in the field of Cyber Security. He also advised the students to try their best to take up jobs in top-notch companies like Accenture, TCS, IBM, Cognizant Technology Solutions, etc. so that it will provide them a better exposure and a good work culture.

He also highlighted the Entry level roles available:

1. Cyber Security Analyst / Junior Security
2. Engineer
3. Security Consultant / Security Engineer
4. Network Security Analyst
5. Incident Responder / SOC Analyst
6. Vulnerability Analyst

The speaker shared his views on cyber security and he told how an individual can make cyber security a career path by working in IT, Retail, Pharma and similar sectors. He also suggested one could get into an IT role in any Company and after 12-24 months move into Cyber Security in a large company by acquiring certifications of additional skills. He also insisted that students to take up certifications from organizations such as Cisco, Microsoft, CompTIA Security, and CompTIA Network so that it fetches them a good package job. He also advised the students to focus on the entry-level skills needed to enter into the cyber field such as technical skills, human skills, and behavioural skills.

140 students of the department of BSc and BCA of III year benefited from the session.

Principal Dr B R Jayakumari A Radhesh, HoD of Computer Science & Applications and staff members of the department were present on the occasion.

**Date : 24<sup>th</sup> NOV 2023**

Time : 10.00 AM

*All are Cordially Invited*

**Teaching, Non-Teaching Staff & Students**

# One Day National Level Seminar

## Session 1

10.45 AM to 12.00 PM

Topic: Research Methodologies in Computer Science:  
Problem Identification and Understanding its Scope.

Resource Person :

**Dr. D S Guru**

Professor DoS in Computer Science  
University of Mysore, Manasagangotri, Mysuru

## Session 2

12.15 PM to 01.30 PM

Topic: Art of Writing & Publishing Research  
Paper in Computer Science Journals

Resource Person :

**Dr. Kolla Bhanu Prakash**

Professor & Associate Dean [R&D]  
Computer Science Engineering, Koneru Lakshmaiah  
Education Foundation, Andhra Pradesh

## Session 3

02.00 PM to 03.15 PM

Topic: Scope of Research in Transforming the  
Software Landscape & Industry  
(AI, ML, Cyber Security, Mobile Computing, Cloud Computing)

Resource Person :

**Dr. Meenakshi**

Senior Principal Consultant-Learning,  
Data Science Unit, ETA, Infosys, Mysuru

## Session 4

03.15 PM to 04.30 PM

Topic: Exploring AI and ML Tools in Research:  
A Case Study Approach

Resource Person :

**Smt. Kavyashree**

Senior Associate Learning  
Infosys, Mysuru

## Valedictory

Time: 05.00 PM

Valedictory Speech:

**Dr. Meenakshi**

Senior Principal Consultant-Learning,  
Data Science Unit  
ETA, Infosys, Mysuru

Presided by:

**Dr. S R Ramesh**

CEO & Academic Advisor  
SBRR Mahajana First Grade College [A],  
Mysuru

## Honourable Presence

**Dr. B R Jayakumari**

Principal,  
SBRR Mahajana First Grade College [A], Mysuru

**Smt. Shruthy Poonacha**

Controller of Examination,  
SBRR Mahajana First Grade College [A], Mysuru

**Sri Radhesh A**

HoD Computer Science & Applications  
SBRR Mahajana First Grade College [A], Mysuru

**National Seminar**

on

**'Exploring Research Methodologies in Computer Science: Unraveling the Latest Advances'**

The Department of Computer Science and Internal Quality Assurance Cell (IQAC) at SBRR Mahajana First Grade College organized a one-day national-level seminar titled 'Exploring Research Methodologies in Computer Science: Unraveling the Latest Advances.' The event commenced with an invocation by Niharika Hegde, creating a positive atmosphere. Dr. B.R. Jayakumari, the principal, delivered the welcome speech, highlighting the importance of research in Computer Science.

The inauguration ceremony was presided over by Dr. C.N. Ravikumar, former HOD, Department of CS&E, SJCE, Mysore. Dr. Murali S, President of the MIT Group, delivered the keynote address, emphasizing the intrinsic value of research and its role in contributing to society. He stressed that research goes beyond publication, focusing on language documentation and ethical considerations. Dr. C.N. Ravikumar, the chief guest, discussed interdisciplinary research. He urged the participants to use AI & ML responsibly, emphasizing ethical considerations. Notable attendees included Sri S K Sanjay, Chartered Accountant, CEO and Academic Advisor Dr S R Ramesh, Senior faculty member and Head of the Department of Kannada, Dr. Thimmegoda.

**Session 1: Research Methodologies in Computer Science – Dr. D S Guru**

Dr. D S Guru, an eminent person in the field, led Session 1, addressing the critical theme of "Research Methodologies in Computer Science: Problem Identification and Understanding its Scope." The session commenced with a profound exploration of the essence of research and its pivotal role in shaping the civilization of Data Science. Dr. D S Guru intricately connected the evolution of civilization with scientific progress, emphasizing the transformative impact of Artificial Intelligence (AI) and Machine Learning (ML) through compelling examples like image recognition and face recognition. He underscored the pervasive influence of AI & ML in diverse fields. A key highlight was Dr D S Guru's emphasis on the continuous cycle of search, research, and active engagement. He delved into the qualitative attributes and the meticulous process of effective research. This holistic research approach resonated with the audience, fostering a deeper appreciation for the intricacies of scholarly exploration.

### **Session 2: Art of Writing and Publishing Research Paper – Dr Kolla Bhanu Parkash**

Dr Kolla Bhanu Parkash, a distinguished professor from K.L University Vijayawada, assumed the role of the resource person for Session 2. His topic was "Art of Writing and Publishing research paper in Computer Science Journals," which encapsulated crucial aspects integral to effective scholarly communication. The introductory phase of the session illuminated the importance of novelty in research. Dr Kolla Bhanu Parkash provided insights into preventing plagiarism and navigating ethical considerations in the realm of academic writing. This foundational understanding set the stage for a more nuanced exploration of research paper creation. Dr Kolla Bhanu Parkash offered valuable insights on finding the right domain-specific journal, making informed choices between open access and free options, and steering clear of certain AI tools in content writing, such as ChatGPT and Quill Bot. The intricacies of technical drafting and the role of tools like Grammarly in refining language usage were emphasized.

### **Session 3: Scope of Research in Transforming the Software Landscape & Industry Dr. Meenakshi**

Dr. Meenakshi, a seasoned professional serving as a senior principal consultant in the Data Science Unit at ETA, Infosys, Mysuru, took the stage for Session 3. Her topic, "Scope of Research in Transforming the Software Landscape & Industry," offered participants a profound glimpse into the digital transformation reshaping the software industry, particularly within the realm of Industry 4.0. The session commenced with a concise yet comprehensive overview of the ongoing digital transformation in the software industry. Dr Meenakshi shed light on Industry 4.0, emphasising the pivotal role that research plays in navigating the dynamic landscape of this technological evolution. Key technologies driving this transformation were highlighted, providing a roadmap for participants to understand the contemporary software ecosystem. Artificial Intelligence, Cloud Computing, the Internet of Things (IoT), Big Data, Robotics, and Cyber security emerged as key pillars shaping the future of the software industry. Dr. Meenakshi underscored the significance of research in optimising these technologies and ensuring their effective application in the evolving software industry. The session delved into real-life examples that illustrated the practical impact of these technologies, grounding theoretical concepts with tangible, real-world applications. A central theme of the seminar was the role of research in driving innovation and addressing challenges within Industry 4.0. Dr. Meenakshi's insights provided a better understanding of how research serves as the catalyst for innovation, offering solutions to the complex challenges posed by the rapidly evolving software landscape.

### **Session 4: Exploring AI & ML Tools in Research – A Case Study Approach – Smt. Kavyashree**

Smt. Kavyashree, the resource person for Session 4, brought a hands-on dimension to the seminar with her topic, "Exploring AI & ML Tools in Research – A Case Study Approach." Drawing from her expertise, she provided valuable insights into the practical aspects of utilizing AI & ML programming tools. Her session went beyond theory, offering live examples to the participants. The exploration of AI & ML programming tools, including MATLAB, R Programming, and Python programming, was showcased through real-world case studies. The hands-on approach of the session ensured that participants not only understood the theoretical underpinnings of AI & ML but also witnessed their practical utility in research. This approach

aligned with the overarching theme of the seminar, empowering participants to integrate acquired knowledge into their research endeavours' inclusion of diverse tools like MATLAB, R Programming, and Python programming reflected the dynamic landscape of AI & ML. Participants were exposed to the versatility of these tools and gained insights into choosing the most appropriate ones based on the requirements of their research projects. This session aimed to equip participants with the knowledge and skills needed for informed decision-making in research. By presenting tangible examples and case studies, she demystified complex AI & ML tools, making them accessible to researchers at various levels of expertise.

#### Conclusion

In summary, the National Level Seminar at SBRR Mahajana First Grade College offered a well-rounded exploration of research in Computer Science. Dr. D S Guru highlighted the fundamental aspects of research, emphasizing its continuous cycle and qualitative attributes. Dr Kolla Bhanu Parkash provided practical insights into effective scholarly communication, addressing the importance of novelty, ethics, and technical drafting. Dr. Meenakshi delved into the transformative impact of key technologies, stressing the pivotal role of research in navigating Industry 4.0. Smt. Kavyashree brought the sessions to a hands-on conclusion, showcasing the practical integration of AI & ML tools in research through live examples and case studies. The sessions provided a comprehensive understanding, equipping the participants with both theoretical knowledge and practical skills for contemporary research in computer science.

**Title of the Event and name of the venue:**

Two Days Hands- on Workshop on **IoT Applications and DevOps**  
Venue: M.Sc.(CS) Lab

**Details of the department organizing the event in collaboration with institution:**

Department of Studies in Computer Science (MCA & MSc. Computer Science) in association with Startup Grit Business Circles Pvt. Ltd, Mysuru.

**Purpose and Scope of the event:**

- The workshop aims to provide participants with a comprehensive understanding of Internet of Things (IoT) technology and its applications. This includes exploring how IoT is used to connect and manage various devices and sensors to collect and exchange data.
- Students will learn how DevOps methodologies can enhance the development, deployment, and management of IoT applications and devices.
- The workshop intends to offer hands-on experience and practical insights into developing and managing IoT applications, also Analyze the real-world case studies.
- The workshop includes interactive sessions and hands-on labs to provide participants with practical experience.

**Details of the Workshop:**

The resource persons focused and explained the following:

- Traits of an Entrepreneurial Mindset: Willingness to Embrace Risk, Cultivation of Innovation, Flexibility and Adaptability, Foresight and Vision, Tenacity and Persistence, Ability to Bounce Back (Resilience), Proactive Orientation, Skillful Networking, Resourceful Problem-Solving, Dedication to Customer Satisfaction (Customer-Centric), Commitment to Lifelong Learning.
- DevOps (Combination of Software Development and Its Operations): The Primary Goal of DevOps is to achieve Faster and more reliable Software Delivery through Automation, Collaboration & Continuous Feedback Loops.
- DevOps Encompasses the Following Key Elements: Collaborative Practices, Automation Strategies, Seamless Continuous Integration, Efficient Continuous Deployment, Utilization of Infrastructure as Code, Vigilant Monitoring and Constructive Feedback, Adoption of Micro services and Containers, Emphasis on Cultural Transformation, Iterative Feedback Loops and Robust Security Measures.
- Organizations That Successfully Implement DevOps Principles Often Experience Increased Agility, Reduced Time-to-Market, Improved Collaboration, & Higher Quality Software Releaser.

- Example for DevOps - Cloud Computing: We can store huge amount of data which will be in cloud so wherever required we can fetch the information this allows them to automate the creation, modification & management of resources in a consistent & repeatable manner.
- IoT (internet of things): network of interconnect physical devices, objects, vehicles, buildings, and other items embedded with sensors, software, & network connectivity that enable them to collect & exchange data.
- The goal of IoT is to enable devices to communicate & interact with each other & with central systems over the internet, leading to enhanced automation, data analysis and improved decision-making.
- Essential principles and elements of IoT encompass: Interconnected Devices, Gathering and Managing Data, Seamless Connectivity, Comprehensive Data Processing and Analysis, Streamlined Automation, Remote Manipulation, Intelligent Environments, Addressing Challenges such as Security and Privacy, Transition from Industrial to IoT Paradigm, Integration of Edge Computing and Vigilant Environmental Monitoring
- Example for IoT- Smart Home:
  - Smart thermostat: devices like the nest thermostat learn users schedules & adjust temperatures to save energy.
  - Smart lighting: lights that adjust brightness & color based on occupancy, time of day & user preferences.
  - Smart appliances: refrigerators that track food inventory & expiration dates & ovens that can pre - heat remotely.
- Students developed the IoT system using ArduinoESP8266. ESP8266 is a low-cost WiFi module that belongs to ESP's family which you can use it to control our electronics projects anywhere in the world.
- Using the resource person's GitHub profile, students downloaded and customized code to read data from sensors including Motion, Ultrasonic, Light, and Temperature sensors. The collected sensor data is stored in the cloud for subsequent analysis through virtual communication between the IoT model and the cloud infrastructure.
- Students showcased their developed IoT model and provided a detailed explanation of its functionality to II semester MCA students.

#### Resource Persons Details:

1. Sri. Vijayanand Gurudev, Co-Founder, Startup Grit Business Circles Pvt.Ltd., Mysuru.
2. Sri. Sreenidhi G S D, Founder and CEO, Cynefian Pvt. Ltd., Gundlpet.
3. Sri Harsha Srinivas, Aimlware Systems Private Limited, Mysuru.

#### Target audience and No. of Participants/beneficiaries:

A total of 14 students from the II Semester M.Sc. (Computer Science) participated in this workshop.

K R S Road, Metagalli, Mysuru – 570 016

Date : 27<sup>th</sup> September 2023

**INTERACTIVE SESSION ON FULL STACK DEVELOPMENT**

**Venue** : Life Sciences Auditorium, PBMMEC

**Department of Computer Science, PBMMEC in collaboration with GTRAC –Greenfield Training Academy and JayBlues Technologies, Mysuru**

**Purpose and Scope of the Event:** Industry Ready Skills and Motives in Full Stack development. The scope of work for full-stack developers is increasing. In the past, a developer would be assigned to a specific technology or project and would focus on that piece of the project. Now, full-stack developers are expected to be able to work on multiple technologies at the same time and even switch from one technology to another to get things done more efficiently.

An Interactive Session on "FULL STACK DEVELOPMENT" was organized on Wednesday, 27<sup>th</sup> of September 2023 by GTRAC - Greenfield Training Academy, Mysuru and JayBlues Technologies, Mysuru in collaboration with the Department Of Computer Science, Pooja Bhagavat Memorial Mahajana Education Center. The program was coordinated by Mrs Rachana.C.R, Associate Professor & HOD, Computer Science and Dr Anisha Kumar, Assistant Professor and TPO.

Mr. Ajay, CEO of GTRAC - Greenfield training academy was the speaker of the day. The session focused on Industry Ready Skills and Motives in Full Stack Development.

The Session was conducted in Life Sciences Auditorium between 11.45am and 1:15 pm. The speaker of the day Mr. Ajay spoke about the skills in Full Stack Development and their duration

to be industry ready. He also explained about the domains, types of architecture (2-tier, 3-tier), Full Stack Engineering in detail.

He emphasized on the job roles in the market on being trained as a full stack developer, the tools involved and gave a light on their collaboration with other companies in the industry.

The Session was very useful in increasing the student's awareness about the skills required for full stack development. Being a full stack developer gives complete ownership and understanding of the project, saves both project time and cost and enhances productivity, faster bug fixing due to knowledge of complete system, easy knowledge transfer to other team members and better division of work amongst team members

**A brief profile of the Resource Persons :**

Mr Ajay Sreenivas, CEO, GTRAC and JAYBLUES Technologies, Mysuru.

He has a degree in BE Electronics and Communication and started his career as a software developer. He has worked in companies such as Beyond Square, Deloitte and Unilog. He worked in the research and development team as well. His entrepreneur journey started in 2013 as a founder of GTRAC- Greenfield Training Academy. In the year 2014 he started a software company JayBlues Technologies. Currently his clients are Medusys, Australia, Plumange, Pondicherry and Swansilk, Silk Product Manufacturers, Bengaluru.

Mr Suresh, Marketing Manager, GTRAC, Ms Sreelakshmi, Head Counsellor and Mr Darshan, Soft Skill Developer were present.

**Date:** 26<sup>th</sup> December 2023

**An Interactive session on - ORGAN DONATION – THE GIFT OF LIFE**

**Venue:** Life Sciences Auditorium, PBMMEC

**Department of Computer Science- MCA & MSc CS, PBMMEC**

**Purpose and Scope of the Event:** To spread the awareness about organ donation among the audience.

**Details of the Interactive session:**

The event adeptly compered by Mr. Faizan Baig, III semester MCA student. The program was prudently coordinated by Kum. Likitha M M, Assistant Professor and Smt. Yashaswini J, Assistant Professor extended a warm welcome to the audience by expressing gratitude for their attendance.

Mrs. Rachana C R, Associate Professor & Head, emphasized the importance of the event and introduced the esteemed guest speaker, Dr. Patricia Viego, Social Work Manager at Apollo Hospital Bangalore, to share her expertise on organ donation. Following the introduction of chief guest, the stage was graced by the Director of the PG Wing, Dr. C.K. Renukarya. In his presidential address, Dr. Renukarya spoke eloquently about the broader societal implications of organ donation, emphasizing the need for heightened social awareness. He underscored the importance of cultivating a culture of compassion and altruism within the community, recognizing that organ donation is not merely a medical procedure but a profound act of humanity.

At 12:25 pm, the session transitioned into an interactive discussion. Dr. Patricia Viego engaged the audience in a thought-provoking conversation about organ donation and transplantation. Attendees actively participated, asking questions and sharing their perspectives on the subject.

Dr. Viego, drawing from her wealth of experience, provided valuable insights into the process of organ transplantation, the impact on recipients' lives, and the challenges faced by healthcare professionals in promoting organ donation.

Apart from all these, the session included the types of organ donation and about transplantation. The interactive session facilitated an open dialogue, dispelling myths and misconceptions surrounding organ donation. Attendees gained a deeper understanding of the procedures, ethical considerations, and the positive outcomes that arise from this life-saving practice. Dr. Viego's expertise and the audience's active participation created a dynamic and informative atmosphere, fostering a sense of community engagement and shared responsibility.

The "Gift of Life" interactive session, featuring Dr. Patricia Viego, was a resounding success. The event succeeded in raising awareness about organ donation, dispelling myths, and fostering a sense of communal responsibility. As the audience left with newfound knowledge and perspectives, the session reinforced the crucial role that organ donation plays in saving lives and exemplified the transformative power of a single act of generosity.

**A brief profile of the Resource Person:** Dr. Patricia Viego possesses 13 years of expertise in Organ Donation and Transplant. She has worked as the State Coordinator for Transplant. She has received the National Award as Best Transplant Coordinator in the Country. She has worked at St. Johns Medical College Hospital as Social work manager. Currently, she is working at Apollo Hospitals, Bangalore as the Social Work Manager. She completed her Ph. D, in Social Work from National Institute of Mental Health and Neuro Sciences. She is a life member of the Indian Association for Transplant Coordinators.

**Target audience and No. of Participants/beneficiaries:** 63 students (MCA and MSc CS), and 8 faculty members.

**Date: 27<sup>th</sup> and 28<sup>th</sup> December 2023**

**Interactive Session on Cloud Computing - Importance of Data Centers  
& Industrial Visit to Vigyan labs Innovations Private Limited, Mysuru.**

**Purpose and Scope of the Event:** This initiative aims to provide students with a firsthand understanding of cutting-edge technologies in data management and cloud computing. The interactive session sought to bridge the gap between theoretical knowledge and practical application, offering valuable insights into the dynamic world of technology, data storage, and cloud-based services. The objective of an industrial visit is to provide students with an insight into the corporate world. Industrial visits provide students an insight into the real working environment, workstations, machines, systems, and interact with highly trained and experienced personnel. Students get to learn a lot of things that will help in their development and also for the future.

**About the event:** On the 27th and 28th of December 2023, the MSc Computer Science and MCA departments of Pooja Bhagavat Memorial Mahajana Education Centre, Post Graduate Wing of SBRR Mahajana First Grade College, Mysore, Karnataka collaboratively orchestrated a compelling interactive session and industrial visit focused on data centres and cloud computing at Vigyan Labs. On December 27, 2023, the industrial visit to Vigyan Labs commenced with an interactive session at 12:00 pm. Mrs. Rachana C R, Associate Professor & Head, introduced the resource person, marking the beginning of a two-day event.

The joint effort demonstrated a commitment to fostering experiential learning, equipping students for the ever-evolving landscape of the IT industry, with a specific focus on data centres and cloud computing technologies.

During the interactive session of the industrial visit to Vigyan Labs, the students had the privilege of engaging with Mr. Vijayanand Gurudev as the resource person. With over two decades of experience in the IT industry, Mr. Gurudev provided an insightful discourse on essential components of data centers, delving into the intricacies of routers, servers, networks, and topologies. His expertise illuminated the functioning of these critical elements, offering students a comprehensive

understanding of the underlying technologies that power the data management and cloud computing. Mr. Gurudev's informative session not only enriched the students' knowledge but also provided practical insights into the operational aspects of modern data centres, enhancing their appreciation for the complexities involved in managing vast amounts of data in the contemporary IT landscape.

During the industrial visit to Vigyan Labs, the students gained invaluable insights into the operational intricacies of the facility. Exploring the heart of the data centre, participants learned about the seamless orchestration of servers, networks, and an innovative solar UPS system employed by Vigyan Labs to minimize electricity usage. The revelation of employing solar UPS not only underscored the company's commitment to sustainability but also showcased their dedication to eco-friendly practices.

The visit further highlighted Vigyan Labs' robust security measures with the use of SIEM (Security Information and Event Management) protocols, ensuring the integrity and confidentiality of the data stored. Additionally, the revelation of Vigyan Labs having two branches in Mysore and Pune illuminated the company's expansive footprint and regional impact in providing cutting-edge data centres solutions. The industrial visit provided a holistic understanding of the advanced technologies and eco-conscious practices employed by Vigyan Labs in shaping the landscape of data centres.

**Brief Profile of the resource person:** With over 23 years of experience in the IT industry, Vijayanand Gurudev stands as a notable Co-Founder of 1by0GRIT, eShavasya, Rananeethi, and DesiCloud. Having run his first software company from December 2002 to April 2004, Gurudev demonstrated entrepreneurial prowess, focusing on software modules that significantly expedited the development process for SME manufacturers in Bangalore. Beyond software, he possesses two years of operational experience at an LPG plant with a substantial annual capacity of 53,000 Metric Tonnes. His professional specialties include Program Management, Operations Management, and Data Analytics, reflecting a diverse and impactful career.

**Number of participants:** 64 students, 6 faculty members, 3 laboratory staff.

**Date: 27<sup>th</sup> and 28<sup>th</sup> December 2023**

**Interactive Session on Cloud Computing - Importance of Data Centers  
& Industrial Visit to Vigyan labs Innovations Private Limited, Mysuru.**

**Purpose and Scope of the Event:** This initiative aims to provide students with a firsthand understanding of cutting-edge technologies in data management and cloud computing. The interactive session sought to bridge the gap between theoretical knowledge and practical application, offering valuable insights into the dynamic world of technology, data storage, and cloud-based services. The objective of an industrial visit is to provide students with an insight into the corporate world. Industrial visits provide students an insight into the real working environment, workstations, machines, systems, and interact with highly trained and experienced personnel. Students get to learn a lot of things that will help in their development and also for the future.

**About the event:** On the 27th and 28th of December 2023, the MSc Computer Science and MCA departments of Pooja Bhagavat Memorial Mahajana Education Centre, Post Graduate Wing of SBRR Mahajana First Grade College, Mysore, Karnataka collaboratively orchestrated a compelling interactive session and industrial visit focused on data centres and cloud computing at Vigyan Labs. On December 27, 2023, the industrial visit to Vigyan Labs commenced with an interactive session at 12:00 pm. Mrs. Rachana C R, Associate Professor & Head, introduced the resource person, marking the beginning of a two-day event.

The joint effort demonstrated a commitment to fostering experiential learning, equipping students for the ever-evolving landscape of the IT industry, with a specific focus on data centres and cloud computing technologies.

During the interactive session of the industrial visit to Vigyan Labs, the students had the privilege of engaging with Mr. Vijayanand Gurudev as the resource person. With over two decades of experience in the IT industry, Mr. Gurudev provided an insightful discourse on essential components of data centers, delving into the intricacies of routers, servers, networks, and topologies. His expertise illuminated the functioning of these critical elements, offering students a comprehensive

understanding of the underlying technologies that power the data management and cloud computing. Mr. Gurudev's informative session not only enriched the students' knowledge but also provided practical insights into the operational aspects of modern data centres, enhancing their appreciation for the complexities involved in managing vast amounts of data in the contemporary IT landscape.

During the industrial visit to Vigyan Labs, the students gained invaluable insights into the operational intricacies of the facility. Exploring the heart of the data centre, participants learned about the seamless orchestration of servers, networks, and an innovative solar UPS system employed by Vigyan Labs to minimize electricity usage. The revelation of employing solar UPS not only underscored the company's commitment to sustainability but also showcased their dedication to eco-friendly practices.

The visit further highlighted Vigyan Labs' robust security measures with the use of SIEM (Security Information and Event Management) protocols, ensuring the integrity and confidentiality of the data stored. Additionally, the revelation of Vigyan Labs having two branches in Mysore and Pune illuminated the company's expansive footprint and regional impact in providing cutting-edge data centres solutions. The industrial visit provided a holistic understanding of the advanced technologies and eco-conscious practices employed by Vigyan Labs in shaping the landscape of data centres.

**Brief Profile of the resource person:** With over 23 years of experience in the IT industry, Vijayanand Gurudev stands as a notable Co-Founder of 1by0GRIT, eEshavasya, Rananeethi, and DesiCloud. Having run his first software company from December 2002 to April 2004, Gurudev demonstrated entrepreneurial prowess, focusing on software modules that significantly expedited the development process for SME manufacturers in Bangalore. Beyond software, he possesses two years of operational experience at an LPG plant with a substantial annual capacity of 53,000 Metric Tonnes. His professional specialties include Program Management, Operations Management, and Data Analytics, reflecting a diverse and impactful career.

**Number of participants:** 64 students, 6 faculty members, 3 laboratory staff.

**Date: 03.01.2024**

**Title of the Event and Venue:**

Alumni Interaction Series: Webinar on 'Emerging Technologies and Career Opportunities in Information Technology'

Venue: Life Sciences Department Auditorium.

**Purpose and scope of the event:**

The webinar aimed to bridge the gap between academia and industry by providing current students with valuable insights into the rapidly evolving landscape of Information Technology.

**Details of the Webinar:**

**Ms. Sahana Gowda**, a distinguished alumnus was featured as the esteemed resource person during an enlightening alumni interaction. Currently working as a **Software Developer at Dassault Systems in Paris campus HQ, France**, Ms. Sahana brought a wealth of real-world experience and expertise to the discussion.

The event, commencing at 2:00 pm, was skillfully hosted by Ms. Sushmita Sheeba, DSA Assistant Professor, who lent her expertise as the program's compere. The seamless coordination of the event was orchestrated by Smt. Yashaswini J, Assistant Professor, ensuring a smooth and engaging experience for all participants. The introduction of the esteemed resource person was eloquently presented by Mrs. Rachana C R, Associate Professor & Head, setting the stage for an insightful interaction. The pinnacle of the event was marked by the address delivered by our esteemed director, Dr. C. K. Renukarya.

In the webinar, Ms. Sahana Gowda provided insights into Artificial Intelligence (AI),

showcasing its applications in intelligent algorithms and machine learning. She elaborated on the transformative impact of cloud computing on data storage and accessibility, discussed the collaborative computational power of grid computing, and emphasized the critical role of cybersecurity in safeguarding digital assets. Additionally, participants gained comprehensive insights into various emerging technologies, contributing to a holistic understanding of the evolving IT landscape and the diverse career opportunities it offers.

Additionally, Ms. Sahana Gowda's insights into 5G technologies, cloud environments, and entrepreneurship provided a holistic view of the technological landscape. The discussion likely touched on the advancements brought about by 5G, the dynamics of operating in cloud environments, and the entrepreneurial opportunities arising from technological innovation. Overall, the webinar aimed to equip participants with a comprehensive understanding of these technologies and their potential impact on future career paths.

Towards the end of the webinar, Ms. Sahana Gowda graciously engaged with the students, responding to their questions and providing valuable insights. Students had the opportunity to inquire about various aspects of the discussed technologies and seek advice on navigating the dynamic field of IT. Ms. Sahana also shared her personal journey of studying abroad and working in an international setting, offering resultant experiences and valuable guidance to inspire and inform the students about pursuing educational and professional opportunities beyond borders. This webinar added a personal touch by allowing students to connect with Ms. Sahana on a more individual level and gain valuable perspectives for their own academic and career journeys.

**Target audience and No. of Participants/beneficiaries:**

63 students (13 students of MSc CS, 50 students of MCA), 8 Faculty members.

**Title of the Event and name of the venue:**

Placement Interviews by PENTAGON SPACE CSR Incubation Drive 2024.  
Life Sciences Department Auditorium

**Details of the department organizing the event in collaboration with institution :**

Department of Studies in Computer Science (MCA & MSc. Computer Science) in association with Pentagon Space Private Limited, Bengaluru .

**Purpose and scope of the event:**

The objective of the interview is to provide full time training in Java Full Stack/ Software Testing/ Python along with placements for the selected candidates.

**Details of the event:**

The Department of Computer Science organized an Interview-CSR Incubation Drive 2024 with full training and placement by Pentagon Space Private Limited, Bengaluru for the final year MCA and MSc CS students in the college premises on the 6<sup>th</sup> of February 2024 from 10 am. The interview was conducted by Ms. Sahana G.B, Senior Manager, Campus Connect.

The interview had three rounds: Virtual Aptitude Test, On campus - Group Discussion and Personal Interview. Around 34 students attended the first round of aptitude test and group discussion. There were 11 students shortlisted for the final round of personal interview. As a result of the final round, 6 students were given offer letters for full training and placements and 5 students were given complimentary training for 45 days of their choice in Java Full Stack/ Software Testing/ Python.

Offer letters with full training and placement were given to:

1. Faizan Baig (MCA)
2. Megha Anand (MCA)
3. Meghana Sham .H (MCA)
4. Anusha.S (MCA)
5. Vignesh. B.S (MCA)
6. Chethan.R (M.Sc. CS)

The following students were selected for complimentary training:

1. Sirisha.A (M.Sc. CS)
2. Sanjay.H.M (MCA)
3. Prakruthi.G (MCA)
4. Bhavani.S (MCA)
5. Neha.R (MCA)

The programme was coordinated by Dr. Anisha Kumar, Assistant Professor and TPO under the guidance of Smt. Rachana C. R, Associate Professor and HoD, Department of Computer Science.

**Placement process was undertaken by:**

Ms Sahana G.B, Senior Manager, Campus Connect, Pentagon Space Private Limited, Bengaluru.

**No. of Participants:**

A total of 34 students attended the Placement Drive. (MCA students: 31, M.Sc CS students : 03).

February 16, 2024

**Title of the Event and Venue:**

Workshop on Harnessing the Power of Artificial Intelligence (AI) in Backend Development  
Venue: MCA Classroom.

**Purpose and scope of the event:**

The workshop had a primary objective of offering valuable insights into the integration of Artificial Intelligence in backend development and its applications within the dynamic realm of technology.

**Details of the Workshop:**

Mrs. Rachana C R, Associate Professor & Head, played a crucial role in organizing the workshop, and Dr. Anisha Kumar, Assistant Professor, effectively introduced the guest speaker with grace.

**Mr. Chethan K S**, Associate Software Engineer at Test Yantra Software Solutions India Pvt. Ltd., Bengaluru, served as the distinguished resource person for the workshop. During his presentation, Mr. Chethan delved into crucial aspects of AI application in projects, encompassing various levels such as front end, back end, and middleware. He provided comprehensive insights into backend languages, highlighting the significance of languages like Python and Java along with their respective frameworks. Additionally, Mr. Chethan covered the spectrum of database technologies, including MongoDB, PostgreSQL, and MySQL.

1

Furthermore, Mr. Chethan K S addressed an intriguing question during the workshop—can AI replace developers? He convincingly argued against this notion, emphasizing the unique and irreplaceable role that developers play in the software development process.

Mr. Chethan K S's presentation not only offered a comprehensive overview of AI in backend development but also engaged the audience in a critical examination of the relationship between AI and human developers, fostering a deeper understanding of the benefits and challenges associated with incorporating AI tools in technical endeavors.

The program concluded with a vote of thanks by Ms. Megha Anand, III semester MCA student who expressed her heartfelt appreciation to all the participants, including the esteemed resource person Mr. Chethan K S, Mrs. Rachana C R, Associate Professor & Head, Dr. Anisha Kumar, Assistant Professor, and the dedicated team of professors who contributed significantly to the workshop's success. The collaborative efforts and active engagement of each participant, along with the valuable insights shared by all professors, played a pivotal role in making the event a meaningful and highly successful experience. The participants extended sincere gratitude to every professor for their unwavering support, making the workshop a rich platform for shared learning and professional development.

The session concluded with a thoughtful exploration of the advantages and disadvantages associated with employing AI tools for technical purposes. This insightful discussion provided attendees with a nuanced understanding of the role of AI in development and its implications for the future of the field.

**No. of Participants:** 46 students and 6 faculty members.

**Title of the Event and name of the venue:**

Placement Interviews by PENTAGON SPACE CSR Incubation Drive 2024.  
Life Sciences Department Auditorium

**Details of the department organizing the event in collaboration with institution :**

Department of Studies in Computer Science (MCA & MSc. Computer Science) in association with Pentagon Space Private Limited, Bengaluru .

**Purpose and scope of the event:**

The objective of the interview is to provide full time training in Java Full Stack/ Software Testing/ Python along with placements for the selected candidates.

**Details of the event:**

The Department of Computer Science organized an Interview-CSR Incubation Drive 2024 with full training and placement by Pentagon Space Private Limited, Bengaluru for the final year MCA and MSc CS students in the college premises on the 6<sup>th</sup> of February 2024 from 10 am. The interview was conducted by Ms. Sahana G.B, Senior Manager, Campus Connect.

The interview had three rounds: Virtual Aptitude Test, On campus - Group Discussion and Personal Interview. Around 34 students attended the first round of aptitude test and group discussion. There were 11 students shortlisted for the final round of personal interview. As a result of the final round, 6 students were given offer letters for full training and placements and 5 students were given complimentary training for 45 days of their choice in Java Full Stack/ Software Testing/ Python.

Offer letters with full training and placement were given to:

1. Faizan Baig (MCA)
2. Megha Anand (MCA)
3. Meghana Sham .H (MCA)
4. Anusha.S (MCA)
5. Vignesh. B.S (MCA)
6. Chethan.R (M.Sc. CS)

The following students were selected for complimentary training:

1. Sirisha.A (M.Sc. CS)
2. Sanjay.H.M (MCA)
3. Prakruthi.G (MCA)
4. Bhavani.S (MCA)
5. Neha.R (MCA)

The programme was coordinated by Dr. Anisha Kumar, Assistant Professor and TPO under the guidance of Smt. Rachana C. R, Associate Professor and HoD, Department of Computer Science.

**Placement process was undertaken by:**

Ms Sahana G.B, Senior Manager, Campus Connect, Pentagon Space Private Limited, Bengaluru.

**No. of Participants:**

A total of 34 students attended the Placement Drive. (MCA students: 31, M.Sc CS students : 03).

**Details of the department organizing the event in collaboration with institution**

NA.

**Purpose and scope of the event:**

The objective of this event is to provide holistic development of students by providing a platform for exploring, learning, networking, innovation, and career advancement in the field of technology.

**Details of the talk/event/activity:**

The event commenced with the Naadageethe by the students of MCA. Esteemed chief guest Mrs. Shruthi Poonacha, Assistant Professor of Computer Science and Controller of Examinations at SBRR Mahajana First Grade College(A),Mysuru, inaugurated the proceedings and addressed the students. Dr. C K Renukarya, Director of SBRR PG Wing, inspired the young minds with his motivational words. Mrs. Rachana C R, Associate Professor & Head of the Department of Computer Science, Introduced the chief guest. Faizan Baig, MCA student compered and welcomed. Megha Anand, MCA student proposed the vote of thanks.

The first session post-inauguration featured a poster presentation on *The future of Virtual Reality in the field of education*, expertly coordinated by Ms. Likhitha M M and Dr.

Anisha Kumar in I MCA Class room. Mrs. Shruthy Poonacha, served as the judge. Concurrently, a coding session took place in the M.Sc lab, led by Mrs. Rachana C R. and Mrs. Yashaswini.

Following this, "ZERO SPARK" that is Cooking Without Fire competition was organized in MCA Auditorium, saw the participation of more than a dozen teams, showcasing their culinary creativity. Ms. Smitha Grace, Assistant Professor from the Life Sciences Department, judged the event alongside Mrs. Shobha, the co-coordinator.

In the afternoon session, starting at 2:00 p.m., the first activity was a multimedia Presentation / short film on "Healthcare and AI" held in the M.Sc lab, adjudicated by Mr. Deepak M V S, Senior Content Developer, Robotics at HoloSuit, Singapore, Currently working as advisor and robotics engineer for HoloWorld, USA. This was followed by a "supreme design (Best out of Waste)" competition, where students showcased their innovative creations using recycled materials such as wall hangings, bottle paintings, and coconut shell table lamps. Simultaneously, a photography session titled "Freeze your moment" (photography) coordinated by Mrs. Preethi Lakshmi, was held under the expert judgment of Dr. Girish Chandran, Assistant Professor in the Life Science Department.

**A brief profile of the resource person:** Chief guest of Inaugural session - Mrs. Shruthy Ponnacha, Assistant Professor of Computer Science and Controller of Examinations, SBRR Mahajana First Grade College(A). Mysuru.

**Target audience and No. of Participants/beneficiaries**

In Total 70 Final Year Students (MCA students: 58 and M.Sc CS students: 12).

Date: 11.3.2024

**Title of the Event and name of the venue:**

**Title:** Orientation programme for I year MCA students

**Venue:** Life Sciences Dept. Auditorium

**Details of the department organizing the event in collaboration with institution**

Organized by the Department of Studies in Computer Science (MCA & MSc. Computer Science)

**Purpose and scope of the event**

The main objective of this Orientation program is to give an introduction and overview of the college. And also to educate the new students about the policies, procedures, and guidelines related to their courses.

Through this orientation program the students can know the programme structure, facilities in the institution and the career opportunities.

**Details of the programme:**

The programme began with the naadageethe sung by the students of First semester MCA. Ms. Geetha P of I sem MCA compered the programme. The programme was inaugurated by lighting the lamp by the dignitaries.

Mrs. Rachana C R, Associate Professor and Head, introduced the chief guest Dr. H S Nagendraswamy, Professor and Chairman, DoS in Computer Science, University of Mysore and the resource person Dr. Pradeep Manjunath, Training & Placement Officer, JSS STU, (formerly SJCE), Mysuru.

Dr. H S Nagendraswamy in his chief guest address instructed the students to plan well to utilize the two years, to start a good life journey. He gave a new dimension about SMART.

S- Self-discipline, Self-assessment, Self-motivation.

M- Mature thinking

- Must understand the purpose of learning a subject, its applications

A-Attitude and Aptitude

- No negative thinking, Positive thinking helps us to prosper

R- Rational Thinking, Responsibilities

- Responsible to take our own steps to study
- Must ask questions why? How? About the concept

T- Time, Tactice, ability to work in a team, Time Schedule

Later Dr. Pradeep Manjunath shared some tips regarding the placement, expectation of companies such as "soft skills requirement", "project", "internships". He advised the students to create resume in LinkedIn and start adding connections. He encouraged the students to be formal, which can transform an individual. And he encouraged to students to organize Hackathon, Coding and Innovation cells.

Dr. Renukarya, Director, PG wing of SBRR Mahajana First Grade College, addressed the students and advised the students to build their skill, then opportunities will come forward and getting job will become easy. The session ended with the vote of thanks by Mrs. Yashaswini.

**A brief profile of the resource persons:**

1. Dr. H S Nagendraswamy, Professor and Chairman, DoS in Computer Science, University of Mysore
2. Dr. Pradeep Manjunath, Training & Placement Officer, SJCE, Mysuru

Date: 19.4.2024

**Title of the Event and name of the venue:**

**Title:** Alumni Interaction Series- An Interactive Session on POWER PLATFORM AND SHAREPOINT.

**Venue:** Life Sciences Dept. Auditorium

**Details of the department organizing the event in collaboration with institution**

Organized by the Department of Studies in Computer Science (MCA & MSc. Computer Science)

**Purpose and scope of the event**

The purpose and scope of this interactive session is to explore the capabilities of Power Platform for app development and automation, as well as SharePoint for efficient document management and team collaboration.

This session aims to enhance the student's professional toolkit with modern Microsoft technologies.

**Details of the event:**

During the interactive session, Mrs. Yashaswini J, Assistant Professor, introduced the chief guest, Mr. Nayeem Ulla Khan, Associate Manager, Ciber India, Bangalore. Then he gave an introduction to Power Platform and explained how Power FX (PFX) is used to develop Power Platform.

Power FX is a low-code and no-code language primarily used within the Microsoft Power Platform. It features a simple syntax and intuitive functions, making it accessible to users with varying levels of technical expertise. Later he taught the types of power apps.

There are three types of power apps:

1. Canvas app
2. Model driven app
3. Power apps portal.

Where Canvas apps empower business-power-users to seamlessly craft and utilize custom business applications, harnessing their expertise in Excel and PowerPoint. He highlighted the pivotal role of connectors in linking services with Microsoft Power Apps, showcasing the extensive array of over 600 connectors. These connectors are categorized into standard, premium, and preview variants, facilitating seamless integration and functionality.

He proceeded to elucidate the concept of model-driven apps and their application in conjunction with Shopify, elaborating on the diverse opportunities they offer within the Power Platform ecosystem.

During the session's closure, Mrs. Rachanna C R, Associate Professor and HoD highlighted the chief guest's connection to the institution as an alumna and thanked him.

#### **A brief profile of the resource persons**

## **REPORT ON ONLINE WORKSHOP ON COMMUNICATION SKILLS AND INTERVIEW ETIQUETTE**

**Department of Studies in Commerce, (PBMMEC), Metagalli, Mysuru**

The Department of Studies in Commerce, SBRR Mahajana First Grade College (Autonomous), Post Graduate Wing, KRS Road, Metagalli, Mysore, in association with the IQAC, SBRR Mahajana First Grade College (Autonomous), Jayalakshimpuram, Mysuru organized the online "Webinar" on "Communication Skills and Interview Etiquette" on Saturday 6<sup>th</sup> January 2024.

Mr. Anantha Lakshmana Rao, Associate Director, KPMG, Bangalore, was the Resource person. The talk began with welcoming of the resource person by Mr. Roopesh Kumar N, Assistant Professor and HoD Department of M.Com. He quoted the words saying that the **"learning never exhausts the mind"** it is on occasions like this, we get opportunities to gain our knowledge and understanding to what extent the corporate sector's expectations towards their potential employees. Further he told about the need of good communication skills in today's world and what are the expectations of the firms while selecting the candidate in an interview should be known by each and every candidate in order to frame the good and prosperous career path.

The Resource person, Mr. Anantha Lakshmana Rao, spoke about his life as student and all the hardships he went through during the initial days of his employment because during those times, no person was there to guide him on the good path in choosing the career option. He spoke about the high requirement of the communication skills, oral, written, personality development; He spoke about developing interview skills, how to attend the various rounds in an interview, improving confidence levels, and how the dressing sense should be. He hinted that before going to an interview it is important to know about the company's background and present situation. He also told about how to crack an interview

with confidence and demand for the salary packages, whether you are a fresher or an experienced candidate.

He urged the students to be adoptable to the work environment and give their best, and to look for better opportunities always. He interacted with the students and clarified all their doubts regarding how to overcome stage fear, improve the language, and how to answer certain questions that will be asked in an interview

Dr. Uma K, Assistant Professor and department of M.Com rendered the vote of thanks and urged the students to gain as much as knowledge as possible from such interactions.

We would like to thank the honorable management of Mahajana Education Society (R), The Director, SBRR Mahajana First Grade College (Autonomous) PG Wing and all the teaching and non-Teaching staff, who have encouraged us in organizing online webinar successfully.

**Investors Awareness Programme**  
**Department of Studies in Commerce, (PBMMEC), Metagalli, Mysuru**

The Department of Studies in Commerce, SBRR Mahajana First Grade College (Autonomous) PG Wing, Metagalli, Mysuru organized a one-day Programme on “**Investors awareness Programme**”, on behalf of BSE India on Tuesday, **9<sup>th</sup> January 2024**.

**Purpose and scope of the event:**

The purpose of the Investors awareness Programme (IAP) was to make the students familiarize with the basic money management concepts like savings, investment and manage risk. Reduce the vulnerability to fraudulent schemes, Ponzi schemes. The programme also aims at providing information about financial and retirement planning, protecting investors by educating them on their rights & duties. Investors awareness Programme is an important skill as knowledge of money is a must irrespective of the profession one chooses in their life.

**Details of the Event:**

The Investor Awareness Programme for the students of I year M. Com was organized by The Department of Studies in Commerce, SBRR Mahajana First Grade College (Autonomous) PG Wing, Metagalli, Mysuru. Mr. Shreenidhi N V, Assistant Professor, Department of Studies in Commerce, SBRR Mahajana First Grade College (Autonomous) PG Wing, Metagalli, Mysuru welcomed the dignitaries and students for the Investors awareness Programme with the quote of Warren Buffet regarding awareness about investing.

In the inaugural remarks, Mr. Roopesh Kumar, Assistant Professor and Head, Department of Studies in Commerce, SBRR Mahajana First Grade College (Autonomous) PG Wing, Metagalli, Mysuru read the profile of resource person for the Programme, and stressed on necessity of gaining knowledge about the investment avenues present in the stock market.

The Programme was taken over by the Resource person Ms. Vani. S, from Krisha foundation and narrated the significance of investments. She explained the probability of gaining more than Savings when one makes an Investment in Financial Investment products. She explained about the Process & Pre- requisites for investment in Securities Markets, Process of investing in Primary market and Secondary market, KYC's, Process of investing in Mutual funds, Opportunities in the financial markets, NISM/BSE/NSE Certifications etc.

The student's awareness Programme concluded with the Vote of Thanks rendered by Mr. Shreenidhi. N. V, Assistant Professor, Department of Studies in Commerce, SBRR Mahajana First Grade College (Autonomous) PG Wing, Metagalli, Mysuru. He thanked the resource person for the programme, the Hon'ble Management, the Director, SBRR Mahajana First Grade College (Autonomous) PG Wing, HoD-M.Com, the organizer of the event and the students.

**A brief profile of the resource persons:**

Ms. Vani S, is a certified SEBI Trainer from Krisha Foundation, Mumbai. She has a Masters Degree in Science (Computer Science) and worked in the corporate sector from 2013-2016. She has passed the Security Market Course from NISM and presently working as organizer for Investors Awareness Programme across Karnataka since 2016. She has been empanelled in various market infrastructure institutions (MII) like MSE, BSE, IPF & CDSL and conducting investors awareness programs and furthering the cause of investor education, awareness and protection.

**Target audience and No. of Participants/beneficiaries:** 47 Students and 4 Faculty members.

**REPORT ON ONE DAY WORKSHOP ON LIFE SKILLS TITLED**  
**“GROWTH OF EMOTIONAL INTELLIGENCE THROUGH MEDITATION AND**  
**MINDFULNESS”**

(Sponsored by UGC Autonomous Grants)

**Department of Studies in Commerce, PBMMEC, Metagalli, Mysuru**

Department of Studies in Commerce, PBMMEC, Metagalli, Mysuru organized a workshop on Life Skills Development under the title “Growth Of Emotional Intelligence Through Meditation And Mindfulness” on Friday 05<sup>th</sup> July 2024 from 10.00am to 1.00pm at Tourism Auditorium, PBMMEC, Metagalli, Mysuru.

The resource persons for the event were Ms. Prathima Padmanabha and Dr. Padmanabha, Consultant Physiologist, Kuwait. The event began with welcoming of the resource persons by Dr. N. Roopesh Kumar, Assistant Professor and Head, Department of Studies in Commerce, PBMMEC, Metagalli, Mysuru and told the significance of having such life skill development activities amidst when youngsters of today in general and students in particular are facing lot of difficulties in managing stress and improving their emotional intelligence.

During the deliberations, Ms. Prathima Padmanabha explained the various causes for youngsters to get into stress. She explained how an individual downgrades himself/ herself even when others are not feeling the same way about him/ her. Through various slides and videos, she narrated the real life stories of how youngsters having tremendous emotional intelligence are suffering from various forms of stress.

Dr. Padmanabha explained that the mind of the human being is so powerful and efficient that if we know our own potential, we can find answers for any types of situations that may arise in one's life. He gave examples of how youngsters at the age between 15 to 21 who come for physiotherapy discuss about their psychological issues, they are facing. Dr. Padmanabha explained that though it is not his area of specialization, a few words of encouragements have made wonders in those youngsters.

Ms. Prathima Padmanabha, through her presentation, explained how to classify the stress, how to prioritize them and how to overcome them. She explained about the emotional

intelligence and how it is present in each and every individual. With the help of some examples, she narrated how emotional intelligence works in different situations.

Ms. Prathima Padmanabha deliberated on the significance of meditation and mindfulness in growing emotional intelligence. She gave the results of studies conducted about the growth of emotional intelligence through guided meditations.

During the interaction session, many students asked questions regarding how to manage depression, pressure from work and study, etc. for which both the resource persons gave tips for coping and managing them.

Mr. Shreenidhi N V, Assistant Professor, Department of Studies in Commerce, PBMMEC, Metagalli, Mysuru explained about the issues his friends were facing and the ways through which they managed overcome such issues through the proper use of emotional intelligence. He thanked the resource persons, the management of Mahajana Education Society @, The Director, Mahajana PG Wing, The HoD-M.com and students for making the workshop a success.

Number of Participants: 73 students and 04 faculty members

**30<sup>th</sup> April, 2024, Tuesday**

**Venue: MTA Auditorium, PBMMEC**

### **About the Institution**

Mahajana Post Graduate Centre is an exclusive PG wing of SBRR Mahajana First Grade College, (Autonomous).

The Centre is the largest PG Centre affiliated to the University of Mysore. It was established in July 2004 with the motto "Enter to Learn, Depart to Serve". The Centre offers courses from pre-school to the post graduation in the areas of direct relevance and value to the current generation of students. Along with the existing 09 disciplines the Centre is poised to start new courses in the years to come.

Mahajana Education Society today is an institution that is well past its platinum jubilee, with a multitude of educational institutions set up under its banner across various disciplines.

### **About the Department**

The Department of Studies in Business Administration was started in 2004 considering the growing needs of the business world. The value added curriculum practiced at our campus has been effective in creating professional expertise and leadership qualities among our graduates. These programs include industrial visits, internships, exposure to international arena, projects, soft skill training, community development programs and entrepreneurship training.

### **About the Event**

**Quizfinity** is an exciting event that brings together students from various colleges to showcase their knowledge and skills in the field of business. Participants engage in rounds of challenging questions covering topics such as finance, marketing, management, entrepreneurship, and current affairs related to the business world.

inter - College Business Quiz promotes intellectual engagement, teamwork, and a spirit of healthy competition among future business leaders.

**Title of the Event:** – Quizfinity 2K24 – Business Quiz Competition

**Venue:** MTA Auditorium, PBMMEC

The Department of Studies in Business Administration, Pooja Bhagavat Memorial Mahajana Education Centre, Mysuru, in association with Guru Fintaac Institute India Pvt. Ltd., Bengaluru, and Patil Borewells and Constructions, organized the event.

### **Purpose & Scope**

The purpose of the Business Quiz Competition, *Quizfinity 2K24*, was to create a stimulating environment for business students and enthusiasts to demonstrate their knowledge and foster intellectual engagement in the realm of business. It aimed to promote critical thinking, quick decision-making, and a deeper understanding of various business domains, including entrepreneurship, sustainability, social governance, and current affairs. By engaging participants in a competitive yet collaborative environment, the quiz aimed to sharpen business acumen and inspire future business leaders to think innovatively and analytically.

The event's scope extended beyond just a quiz competition. It sought to bridge the gap between theoretical business knowledge and practical real-world scenarios, making it a holistic learning experience for the participants. The competition was open to both undergraduate and postgraduate students, providing them with a platform to exchange ideas, network with peers, and enhance their understanding of the global business landscape.

### **The Brief of the Event:**

The Business Quiz Competition, *Quizfinity 2K24*, was organized by the Department of Studies in Business Administration in collaboration with two esteemed sponsors: *Guru Fintaac Institute India Pvt. Ltd.*, Bengaluru, and *Patil Borewells and Constructions*, Mysuru. Held on the 30th of April 2024, the competition aimed to bring together business enthusiasts from various educational institutions to test and enhance their knowledge in different facets of business.

The event followed a structured format with three progressive rounds designed to evaluate participants' understanding of diverse business topics. The rounds encompassed key areas such as entrepreneurship, sustainability, social and corporate governance, and current business affairs. By focusing on quick decision-making and critical thinking, the competition challenged participants to think on their feet, apply theoretical knowledge to practical scenarios, and perform under pressure.

The quiz was conducted in an interactive application *Kahoot*. The event attracted enthusiastic participation, with 36 teams (72 participants) competing to showcase their business expertise. The competition concluded with three winning teams being recognized for their exceptional performance:

- **Winners:** Harsha Kumar and Syed Mohammad (Manasa Gangotri, University of Mysore, Mysuru)
- **Runners-up:** Nayana and Akshata M.K (JSS CMS, Mysuru)
- **Consolation Prize:** Yashwant K and Lakshmi Mahanto (JSS Aher DHSMS, Mysuru)

The event succeeded in its objective of promoting learning and engagement in the business domain while providing participants with a valuable networking platform and exposure to real-world business challenges.

### Resource Person Details:

The competition was graced by the esteemed presence of Mr. Wadiraj Kulkarni, Director - IT at Cyient DLM Ltd. (Formerly Rangsons Electronics Pvt. Ltd.). With over 33 years of professional experience in programming, Mr. Kulkarni has an impressive background in various programming languages and Enterprise Resource Planning (ERP) systems, including SAP ECC 6.0, Progress (4GL, RDBMS), MFG/PRO, Microsoft Navision ERP, and S/4 HANA. His extensive knowledge spans across multiple industries, such as discrete and process manufacturing, distribution, finance, infrastructure, and retail.

### Target Audience:

The event attracted a diverse group of participants, with 36 teams registering for the competition. Each team consisted of two members, bringing the total number of participants to 72. The participants represented various educational institutions, including undergraduate and postgraduate students from universities and colleges in and around Mysuru. in business studies.

Wednesday, July 18, 2024

**Title of the Event:** Workshop on Utilizing Prowess Database Management for Research Projects  
**Venue:** MBA Computer Lab, PBMMEC, Mysuru - 16

The Department of Studies in Business Administration, Pooja Bhagavat Memorial Mahajana Education Centre, initiated the training programme to provide both students and faculty members with practical experience and comprehensive knowledge of the Prowess Database Management system.

### **Purpose & Scope**

The primary objective of the workshop was to provide both students and faculty members with practical experience and comprehensive knowledge of the Prowess Database Management system. This tool, developed by the Centre for Monitoring Indian Economy (CMIE), is essential for conducting thorough research projects, offering extensive data on the financial performance of companies.

### **The Brief of the Event**

*The hands-on workshop on utilizing Prowess Database Management for research projects was successfully conducted on the 18<sup>th</sup> of July, 2024.* The session was facilitated by Mr. Debarshi Kumar Deb, the Business Relationship Manager from CMIE, Bengaluru. The workshop commenced with an introduction to the Prowess database, covering its features, capabilities, and the vast array of data available for research.

Mr. Deb led the participants through a series of practical exercises, demonstrating how to efficiently navigate the database, extract relevant data, and analyse it for various research purposes. Participants were encouraged to actively engage in the exercises, fostering a collaborative and interactive learning environment.

Throughout the workshop, Mr. Deb emphasized the importance of utilizing accurate and comprehensive data in research and how Prowess can significantly enhance the quality of research outputs. The session concluded with a Q&A segment, where participants sought clarifications and further insights into advanced database functionalities.

### Resource Person Details:

Mr. Debarshi Kumar Deb, Business Relationship Manager at CMIE, Bengaluru, holds extensive expertise in database management and has a proven track record of assisting academic and corporate researchers in leveraging Prowess for their projects.

### Target Audience:

The workshop saw active participation from 110 students and 9 faculty members and 5 non teach staff.

**Title of the Event: World Earth Day – Planting Saplings**  
**Venue: Campus Premise PBMMEC, Mysuru - 16**

The Department of Studies in Business Administration, Pooja Bhagavat Memorial Mahajana Education Centre, Mysuru, commemorates Earth Day by Planting Saplings on the Campus Premises on the 22<sup>nd</sup> of April, 2024.

### **Purpose & Scope**

Earth Day was observed at our campus Planting Saplings. The Purpose was to Promote Greenery, and comfortable climate Change through community engagement and preserving BioDiversity. The Scope of the Event is to Raise Awareness about Climate Change and the Importance of Environmental Conservation among the Community of Students.

### **The Brief of the Event**

The Earth Day Sapling Planting Ceremony was organized on the 22<sup>nd</sup> of April, 2024 to commemorate Earth Day and underscore the importance of environmental conservation. The event was graced by the esteemed presence of Dr. Ramesh S R, CEO & Academic Advisor of MES, and Prof. Harish K Machia, HoD of the Department of Business Administration, along with enthusiastic students and faculty members.

### **Key Highlights:**

- **Presiding Dignitaries:** Dr. Ramesh S R and Prof. Harish K Machia led the ceremony, symbolizing the institution's commitment to environmental stewardship.
- **Oath of Commitment:** An oath was solemnly rendered by all participants, led by Srusti, a Second Year Student, reaffirming their dedication to maintaining a healthy environment.

This pledge echoed the collective resolve of the institution's community towards sustainable practices.

- **Sapling Plantation:** The highlight of the event was the plantation of twelve saplings within the campus premises. Each sapling represented a tangible step towards enhancing green cover and biodiversity. The act of planting saplings served as a poignant reminder of our interconnectedness with nature and our duty to nurture it. As saplings took root in the soil, so did the seeds of awareness and responsibility in the hearts of all participants.

The Earth Day Sapling Planting Ceremony served as a poignant reminder of our responsibility towards the planet and the urgent need for collective action to address environmental challenges. Through initiatives like this, the institution aims to instill a culture of environmental consciousness and inspire positive change within the community.

In commemorating Earth Day through sapling plantations, the Mahajana Education Society demonstrated its unwavering commitment to environmental conservation and sustainable practices. The event, graced by the presence of esteemed dignitaries and characterized by enthusiastic student involvement, served as a beacon of hope and inspiration for a greener future. As the saplings take root and flourish, may they serve as a testament to our collective resolve to cherish and protect the precious gift of nature.

We extend our gratitude to Dr C K Renukarya, Director, PBMMEC, Dr. Ramesh S R, Prof. Harish K Machia, students, and faculty members, for their enthusiastic participation and unwavering support in making this event a resounding success.

### Target Audience:

The First Year & Second Year MBA Students Comprising of 210 Students, 12 Teaching Faculties, and 8 Non-Teaching members.

**Monday, July, 01<sup>st</sup>, 2024**

**Title of the Event:** – Faculty & Student Development Programme: AI in Academic Assignments and Research Publications

**Venue:** MBA Computer Lab, PBMMEC, Mysuru - 16

The Department of Studies in Business Administration, Pooja Bhagavat Memorial Mahajana Education Centre, Mysuru conducted the Faculty & Student Development Programme.

### **Purpose & Scope**

The Faculty & Student Development Programme aimed to introduce and explore the applications of Artificial Intelligence (AI) tools in academic assignments and research publications. The event provided hands-on experience and insights into various AI tools, emphasizing their utility in enhancing academic productivity and research quality.

### **The Brief of the Event**

The event was conducted on two separate dates to cater to different faculties and student groups. *On June 24th, the focus was on Finance faculty and students, while on July 1st, the HR and Marketing faculty and students participated.*

The programme commenced with an introduction to the significance of AI in academia. Participants were introduced to various AI tools, including JENNI, EXPLICIT, HARPA, PERPLEXITY, CHATGPT, & CO-PILOT. Each tool's functionality was demonstrated, highlighting how these tools can assist in generating content, conducting research, improving writing quality, and enhancing overall academic performance.

JENNI and EXPLICIT were showcased for their capabilities in generating research content and managing references. HARPA and Perplexity were demonstrated for their effectiveness in data analysis and visualization. ChatGPT and Co-pilot were introduced as versatile tools for drafting

and refining academic papers, creating presentations, and providing instant assistance in various research-related tasks.

The sessions included interactive workshops where participants used these tools in real-time, exploring their features and benefits. Feedback from participants was overwhelmingly positive, with many expressing enthusiasms about integrating these AI tools into their academic work.

The Faculty & Student Development Programme successfully highlighted the transformative potential of AI in academic assignments and research publications. The event equipped participants with the knowledge and skills to effectively utilize AI tools, thereby enhancing their academic and research capabilities

### Resource Person Details:

The sessions were conducted by Dr. Sunil M V, Assistant Professor, SDMIMD, & a renowned expert in AI applications in academia. Dr. Sunil M V has extensive experience in leveraging AI for educational purposes and has conducted numerous workshops and training sessions on the subject.

### Target Audience:

The event saw active participation from both faculty and students. On June 24th, around 4 Finance faculty members and 58 Finance students attended the session. The July 1st event had a turnout of 6 HR and Marketing faculty members and 56 students from the respective departments. The participants engaged actively in the workshops and provided valuable feedback on their learning experience.

CAREER OPPORTUNITIES FOR  
COMMERCE AND MANAGEMENT  
STUDENTS”**

**For MBA Students**

---

**RESOURCE PERSON  
CA VINOD CHANDRAN  
CEO, MYLOGIC BUSINESS SCHOOL  
BENGALURU**

**DATE: AUGUST 8 2024**

**DAY: THURSDAY**

**TIME: 11.30 AM**

**VENUE: MTA AUDITORIUM**

**Mahajana Education Society (R)**  
**SBRR Mahajana First Grade College (Autonomous)**  
Affiliated with the University of Mysore  
Re-Accredited by NAAC with 'A' Grade, College with Potential for Excellence  
**Post Graduate Wing**  
**Pooja Bhagavat Memorial Mahajana Education Centre**  
K R S Road, Metagalli, Mysuru – 570 016

**Title of the Event:** Orientation on “Emerging Trends in Finance and Career Opportunities for Commerce and Management Students”  
**Venue:** MTA Auditorium, PBMMEC, Mysuru – 16

**8<sup>th</sup> August 2024**

**Purpose & Scope**

The purpose of the orientation session was to introduce commerce and management students to the emerging trends in the field of finance and explore potential career opportunities. The session focused on various globally recognized finance certifications, such as CPA, CFP, CMA, CIA, ACCA, FP&A, and FRM, and provided detailed insights into their relevance, duration, fee structures, and potential salary packages upon completion. The goal was to equip students with valuable knowledge about career paths in finance and to help them make informed decisions regarding professional certifications that can enhance their employability in the finance sector.

**The Brief of the Event**

On the 8th of August, 2024, an orientation session was conducted by **CA Vinod Chandran** from **My Logic Business School** on the emerging trends in finance and career opportunities for commerce and management students. The session, held from **11:40 AM to 1:10 PM**, was designed to provide students with an understanding of the global finance landscape and the certifications that can help them succeed in their careers.

Mr. Chandran presented a comprehensive overview of several key finance certifications, including:

- **CPA** (Certified Public Accountant)
- **CFP** (Certified Financial Planner)
- **CMA** (Certified Management Accountant)
- **CIA** (Certified Internal Auditor)
- **ACCA** (Association of Chartered Certified Accountants)
- **FP&A** (Financial Planning & Analysis)
- **FRM** (Financial Risk Manager)

During the session, Mr. Chandran discussed the relevance of each certification in today's dynamic financial environment. He provided students with a detailed understanding of the **course duration, fee structure, and the potential salary packages** associated with each qualification. He also shared insights on the time commitment required to complete these certifications, emphasizing the growing demand for professionals with specialized skills in areas such as financial risk management, auditing, and planning.

The session was interactive, with Mr. Chandran engaging the audience through discussions and real-world examples, helping students grasp the practical implications of pursuing these certifications. Students actively participated, asking questions related to the certifications and their applicability to different career paths in finance.

The session concluded with a **Q&A segment**, where students had the opportunity to address their concerns and clarify doubts directly with the resource person. Mr. Chandran's extensive knowledge and industry experience provided clarity to students regarding their career options and the qualifications needed to excel in finance-related fields.

The orientation session conducted by **CA Vinod Chandran** was highly informative and well-received by the students. By offering valuable insights into finance certifications, their relevance, and potential career outcomes, the session provided a solid foundation for students to make informed decisions about their professional development in the finance sector. The interactive nature of the session and the expert guidance provided by Mr. Chandran helped students gain a clearer perspective on their future career paths in finance.

#### **Resource Person Details**

CA Vinod Chandran, CEO, My Logic Business School, Bengaluru. He is also an experienced Chartered Accountant.

#### **Target Audience:**

The session was attended by **133 participants**, including both first and final-year MBA students, as well as faculty members.

**Friday, July 19, 2024**

**Title of the Event:** Orientation Session for Capstone Project Structure and Guidelines

**Venue:** MTA Auditorium, PBMMEC

The Department of Studies in Business Administration, Pooja Bhagavat Memorial Mahajana Education Centre organized the Programme.

### **Purpose & Scope**

The Orientation Session on the Capstone Project structure and standard guidelines was designed to provide students with a comprehensive understanding of the essential components and expectations of their upcoming research projects. The primary objective of the session was to familiarize students with the framework and methodologies necessary for successfully conducting their Capstone Projects.

The session also aimed to ensure that students are well-equipped to follow the prescribed format and guidelines, which include critical sections like the literature review, research methodology, findings, and bibliography. Furthermore, the session helped clarify the grading criteria and expectations regarding originality and academic integrity, serving as a valuable primer for students before embarking on their Capstone Project journey.

### **The Brief of the Event**

The session took place on the 19<sup>th</sup> of July, 2024, and was spearheaded by Dr. Savitha M., an in-house faculty member and Assistant Professor at PBMMEC. The orientation began with an introduction to the Capstone Project's significance in MBA studies, emphasizing its role as an integrative learning experience. Dr. Savitha provided a detailed breakdown of the key components of a research project, starting with the **Literature Review**, which requires students to critically evaluate existing studies in their chosen field of research. She explained how the literature review sets the foundation for identifying research gaps and developing the project's hypothesis.

Following this, she delved into **Research Methodology**, where students were guided on how to select the appropriate research design, data collection methods, and tools for analysis. The importance of selecting a methodology that aligns with the research objectives was highlighted.

Dr. Savitha also discussed the **Findings** section, emphasizing how this part of the project should offer insights into the data analysis and interpretation. She clarified the difference between presenting results and drawing conclusions, guiding students on how to articulate their findings effectively. The session also covered **Summary** and **Bibliography** sections, with a focus on maintaining academic rigor and proper referencing styles, which are essential for ensuring the project meets scholarly standards.

The session was interactive, with students engaging in Q&A discussions throughout, seeking clarifications on various aspects of the project. Dr. Savitha provided examples of successful Capstone Projects from previous years, highlighting common challenges and best practices. The orientation concluded with a recap of the critical deadlines and submission requirements, ensuring that students were clear on the expectations and equipped to start their projects confidently.

In conclusion, the orientation session was a highly successful event that laid a strong foundation for students to begin their Capstone Projects. The clarity provided by Dr. Savitha M. and the comprehensive nature of the session will undoubtedly help the students as they embark on their research journey, ensuring that they meet the academic expectations and produce high-quality work.

### Resource Person:

The session was led by *Dr. Savitha M., who holds the position of Assistant Professor at PBMMEC* and is an expert in Research Methodologies. With her extensive experience in guiding MBA students through their Capstone Projects, Dr. Savitha offered valuable insights into each stage of the research process, drawing from her academic and professional expertise.

### Target Audience:

The session was attended by around 55 MBA students, all of whom will be working on their Capstone Projects as part of their final-year academic requirements. The students came from diverse specializations, including marketing, finance, and human resources, each of whom benefitted from the guidelines and instructions provided during the session.

Thursday, July 25<sup>th</sup>, 2024

**Title of the Event:** Interactive Session: Career Opportunities for Company Secretary & Legal Advisor

**Venue:** MTA Auditorium, PBMMEC, Mysuru - 16

The Department of Studies in Business Administration, Pooja Bhagavat Memorial Mahajana Education Centre in association with the Institute of Company Secretaries of India, Mysuru organized the Interactive Session.

### **Purpose & Scope**

The event aimed to provide final-year MBA students with insights into the career paths of a Company Secretary and a Legal Advisor. It sought to bridge the gap between academic knowledge and industry requirements by highlighting the roles, responsibilities, and career opportunities in these fields. Additionally, the session was designed to offer practical advice and networking opportunities to help students transition smoothly into their professional lives.

### **The Brief of the Event**

*The interactive session on "Career Opportunities for Company Secretary & Legal Advisor" was held on 25th July 2024 at the MTA Auditorium, PBMMEC, Mysuru.* The session was well-attended by final-year MBA students who were eager to gain insights into the corporate legal world. The event commenced at 2:30 PM with a welcome address by Mr Srinivas Thimmaiah, Course Coordinator, Department of Studies in Business Administration, PBMMEC, who emphasized the importance of understanding various career options available to management students.

*Ms Keerthana, a distinguished Company Secretary and Legal Advisor at Mysore Steels, Mysuru, was the resource person for the session.* She began with an engaging introduction to her professional journey, outlining her experiences and the challenges she faced in her career. Ms Keerthana's dynamic presentation covered a wide array of topics, including:

1. **Roles and Responsibilities:** She detailed the key duties of a Company Secretary, such as ensuring regulatory compliance, managing corporate governance, and advising the board of directors. Similarly, she explained the crucial functions of a Legal Advisor, including offering legal counsel, drafting and reviewing contracts, and handling litigation matters.
2. **Career Pathways:** Ms Keerthana highlighted the educational qualifications and professional certifications required for these roles. She emphasized the importance of continuous learning and staying updated with the latest legal and regulatory changes.
3. **Skill Development:** The session also focused on the essential skills needed to excel in these careers, such as strong analytical abilities, excellent communication skills, and a thorough understanding of corporate laws and regulations.
4. **Industry Insights:** Ms. Keerthana shared her first-hand experiences and insights into the steel industry, providing students with a real-world perspective on how Company Secretaries and Legal Advisors operate within a corporate setting.
5. **Q&A Session:** The interactive segment allowed students to ask questions and seek advice on career planning, professional growth, and industry expectations. Ms Keerthana's responses were insightful and encouraged students to pursue their career goals with confidence and determination.

The event concluded with a vote of thanks, appreciating Ms. Keerthana's valuable contributions and thanked the students for their active participation. The session was deemed a success, with students expressing their satisfaction and newfound clarity regarding their career prospects as Company Secretaries and Legal Advisors.

### Resource Person Details

Ms Keerthana, Company Secretary & Legal Advisor, Mysore Steels, Mysuru. Ms Keerthana is a seasoned professional with extensive experience in corporate law and governance. Her expertise and practical insights provided students with a comprehensive understanding of the career opportunities in the field of corporate legal advisory.

### Target Audience:

The session was attended by final-year MBA students from PBMMEC, who are preparing to embark on their professional journeys. The event provided them with a unique opportunity to interact with an industry expert and gain valuable knowledge to help them make informed career decisions. Around 70 Students and Faculty members were present.

VENUE: MTA AUDITORIUM

**Mahajana Education Society (R)**  
**SBRR Mahajana First Grade College (Autonomous)**  
Affiliated with the University of Mysore  
Re-Accredited by NAAC with 'A' Grade, College with Potential for Excellence  
**Post Graduate Wing**  
**Pooja Bhagavat Memorial Mahajana Education Centre**  
K R S Road, Metagalli, Mysuru – 570 016

Wednesday, March 06<sup>th</sup>, 2024

**Title of the Event:** Webinar - BSE Capital Market Awareness  
**Venue:** MTA Auditorium, Tourism Block, PBMMEC, Mysuru - 16

The Webinar Was Organized by The Department of Studies in Business Administration, Pooja Bhagavat Memorial Mahajana Education Centre, Mysuru, in association with Lotus Knowlwealth, Andheri, Mumbai.

### **Purpose & Scope**

The primary purpose of the webinar, titled "*BSE Capital Market Awareness for MBA Students*", was to enhance the knowledge and understanding of capital markets among MBA students, particularly those with a keen interest in finance and investment management. With a focus on the operations and significance of the Bombay Stock Exchange (BSE), the session aimed to bridge the gap between academic learning and practical application in the financial sector.

In terms of scope, the webinar covered essential aspects of the BSE, including its historical significance, trading operations, and the vital role it plays in shaping India's economy. The session also emphasised the importance of staying updated on market trends, understanding the influence of economic and political factors on stock prices, and learning about risk management techniques.

### **Brief of the Event**

The webinar, held on the 6th of March from 2:00 PM to 3:30 PM, commenced with a warm welcome address by the host, who underscored the significance of capital market literacy, particularly for MBA students specialising in finance. The speaker highlighted that capital market knowledge is a cornerstone for anyone aspiring to enter the financial sector, emphasising its importance in career development.

The session was led by Mr. Venugopal Rayirath, Senior Associate at Lotus Knowlwealth, a reputed financial advisory firm based in Andheri, Mumbai. Mr. Rayirath, with his extensive

industry experience, began by introducing the foundational concepts of capital markets, focusing on the structure and functioning of the BSE. He explained the historical evolution of the BSE and how it has become a pivotal component of India's financial infrastructure.

Delving into the trading process, Mr Rayirath explained the role of stockbrokers and the functioning of electronic trading platforms. He offered a comprehensive breakdown of key concepts such as order types, market indices, and the significance of Sensex—the benchmark index of BSE. His explanation of how indices like Sensex reflect the overall health of the economy helped students gain a clearer understanding of how stock market movements correlate with broader economic indicators.

What made the webinar stand out was its highly interactive nature. Mr. Rayirath encouraged active participation from the students, addressing their queries on various topics, including stock selection criteria, fundamental vs. technical analysis, portfolio diversification, and risk management strategies. He illustrated these concepts with real-life examples from his professional experience, adding depth to the theoretical knowledge being discussed.

In the concluding segment, Mr Rayirath provided insights into the current trends in the Indian capital markets, emphasizing the growing importance of retail investors and digital trading platforms. He also discussed the rise of ESG (Environmental, Social, and Governance) investing, reflecting on how modern investors are increasingly considering ethical factors in their investment choices.

Overall, the session was highly informative and engaging, providing students with not just a theoretical understanding of capital markets but also practical insights into trading strategies, investment management, and potential opportunities within the financial sector. The discussions and interactive elements of the webinar allowed students to gain clarity on their future career paths in finance, with Mr Rayirath serving as an inspiring role model.

The success of the webinar highlighted the importance of industry-academic collaboration in providing students with practical insights and real-world knowledge. Through this session, students not only gained theoretical insights into capital markets but also practical advice on navigating a career in finance. The interactive format and the engaging presentation made the session an invaluable learning experience for all attendees.

### **Resource Person Profile**

The resource person for the webinar, Mr. Venugopal Rayirath, is a Senior Associate at Lotus Knowlwealth, a leading financial advisory firm headquartered in Andheri, Mumbai. With extensive experience in capital markets and investment strategies, Mr Rayirath has built a solid reputation in the financial industry. His expertise spans financial advisory services, portfolio management, equity research, and risk assessment.

Over the years, Mr. Rayirath has worked with various clients, guiding them on investment strategies, stock market analysis, and capital market trends. His deep understanding of both the Indian and global financial landscapes has enabled him to help investors navigate market volatility and make informed investment decisions. His ability to translate complex financial concepts into easily digestible information has made him a sought-after speaker and mentor in the field of finance.

### Target Audience

The webinar was attended by a total of 95 MBA students. These students, who represented the final year of their MBA program, were eager to expand their knowledge of capital markets and explore potential career opportunities within the financial sector. In addition to the students, several faculty members from the finance department were also present, offering their support and contributing to the discussions.
