In the last cycle in the year 2015 the college was awarded 'A' grade. The college also enjoys the recognition of UGC as College with Potential for Excellence which is in its second phase. Thus it has carved a niche for itself in the field of tertiary education in its three and a half decades of promoting higher education with the Motto of 'Education to Excel' and imparting education to make finer citizens as enshrined in its vision statement built on the philosophy of Swami Vivekananda. It has been attracting students across the country and also at the international level making its presence felt on the map of premier education institutions.

During the past one and a half decade the college has given thrust on developing students as leaders through its unique concept of 'Student Parliament' wherein the students are given leadership opportunities through ASIC (Administration, Student, Institutional and Curricular Support) fora which have provided the students a plethora of learning opportunities outside the classrooms and beyond the regular outfits like the award winning NCC and NSS units. Students have discovered and unleashed their potential through SARANTA- theatre troupe, VoMC (volunteering) Rotaract and a host of others. The Achievers of the college are felicitated at the Weekly Assembly and thus given the rich recognition they deserve.
